Welcome to IEHP!

Thank you for joining IEHP. IEHP is a health plan for people who have Medi-Cal. IEHP works with the State of California to help you get the health care you need. IEHP contracts with Independent Physician Associations (IPAs) to provide healthcare services. An IPA is a group of PCPs, specialists, and other providers of health care services. Your PCP may be part of an IPA.

Your PCP, along with IEHP or the IPA, directs the care for all your medical needs. This includes referrals (prior authorizations) to see specialists or get medical services, like lab tests, x-rays, and/or hospital care.

If you wish to become an IEHP Member and would like to learn more about IEHP benefits and services, you can view the Medi-Cal Member Handbook on IEHP's website at www.iehp.org or request a copy to be mailed to you by contacting IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Member Handbook

This Member Handbook tells you about your coverage under IEHP. Please read it carefully and completely. It will help you understand your benefits, the services available to you, and how to get the care you need. It also explains your rights and responsibilities as a member of IEHP. If you have special health needs, be sure to read all sections that apply to you.

This Member Handbook is also called the Combined Evidence of Coverage (EOC) and Disclosure Form. It is a summary of IEHP's rules and policies and is based on the contract between IEHP and the Department of Health Care Services (DHCS). If you would like more information, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

In this Member Handbook, IEHP is sometimes referred to as "we" or "us." Members are sometimes called "you." Some capitalized words have special meaning in this Member Handbook.

To ask for a copy of the contract between IEHP and DHCS, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You may ask for another copy

2. About your health plan

Health plan overview

IEHP is a health plan for people who have Medi-Cal in these counties: Riverside and San Bernardino counties. IEHP works with the State of California to help you get the health care you need.

Talk with one of the IEHP member services representatives to learn more about the health plan and how to make it work for you. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

When your coverage starts and ends

When you enroll in IEHP, we will send your IEHP Identification (ID) card within two weeks of your enrollment date. You must show both your IEHP ID card and your Medi-Cal BIC when you get health care services or prescriptions.

Your Medi-Cal coverage will need renewing every year. If your local county office cannot renew your Medi-Cal coverage electronically, the county will send you a pre-populated Medi-Cal renewal form. Complete this form and return it to your local county human services agency. You can return your information in person, by phone, by mail, online, or by other electronic means available in your county.

You can start getting health care when you become a Member of IEHP. To become an IEHP Member, your Medi-Cal Choice Form must first be processed by Health Care Options (HCO). HCO contracts with the Department of Health Care Services (DHCS) to enroll and disenroll Members into a health plan. It can take 15 to 45 days from the time your completed form is received by HCO before you are enrolled with IEHP. Your coverage starts when we receive your active enrollment from DHCS.

You can end your IEHP coverage and choose another health plan at any time. For help choosing a new plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711). Or go to www.healthcareoptions.dhcs.ca.gov. You can also ask to end your Medi-Cal.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

IEHP is a health plan for Medi-Cal members in Riverside and San Bernardino Counties. Find your local office at <http://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>.

IEHP eligibility may end if any of the following is true:

- You move out of Riverside and San Bernardino counties
- You no longer have Medi-Cal
- You become eligible for a waiver program that requires you to be enrolled in Fee-for-Service (FFS) Medi-Cal
- You are in jail or prison

If you lose your IEHP Medi-Cal coverage, you may still qualify for FFS Medi-Cal coverage. If you are not sure if you are still covered by IEHP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Special considerations for American Indians in managed care

American Indians have a right to not enroll in a Medi-Cal managed care plan. Or they may leave their Medi-Cal managed care plan and return to FFS Medi-Cal at any time and for any reason.

If you are an American Indian, you have the right to get health care services at an Indian Health Care Provider (IHCP). You can also stay with or disenroll (drop) from IEHP while getting health care services from these locations. To learn more about enrollment and disenrollment, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP must provide care coordination for you, including out-of-network case management. If you ask to get services from an IHCP and there is no available in-network IHCP, IEHP must help you find an out-of-network IHCP. To learn more, read “Provider network” in Chapter 3 of this handbook.

How your plan works

IEHP is a managed care health plan contracted with DHCS. IEHP works with doctors, hospitals, and other health care providers in the IEHP service area to provide health care to our members. As a member of IEHP, you may qualify for some services

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

provided through FFS Medi-Cal. These include outpatient prescriptions, non-prescription drugs, and some medical supplies through Medi-Cal Rx.

IEHP Member Services will tell you how IEHP works, how to get the care you need, how to schedule provider appointments during office hours, how to request no-cost interpreting and translation services or written information in alternative formats, and how to find out if you qualify for transportation services.

Anytime you have a question, need information, have a complaint or concern, or want to change your Doctor, call us at 1-800-440-IEHP (4347), Monday–Friday, 7am–7pm, and Saturday–Sunday, 8am–5pm. If you reach IEHP Member Services after hours, you will be able to leave a voice message. More than 140 other languages are available through phone interpreter service. You have the right to request an interpreter when talking about medical information. If you go to an IEHP Doctor's office and no one speaks your language, ask your Doctor to call IEHP to be connected to an interpreter through phone interpreter service. If you speak another language and need medical advice at other times, you can call IEHP Nurse Advice Line 24 hours a day, seven days a week. If you need an interpreter (foreign language or sign language) to be at the Doctor's office for your next routine visit, you must call IEHP at least 5 business days before a scheduled appointment.

To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also find member service information online at www.iehp.org.

Changing health plans

You can leave IEHP and join another health plan in your county of residence at any time. To choose a new plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711). You can call between 8 a.m. and 6 p.m. Monday through Friday. Or go to <https://www.healthcareoptions.dhcs.ca.gov>.

It takes up to 30 days or more to process your request to leave IEHP and enroll in another plan in your county. To find out the status of your request, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

If you want to leave IEHP sooner, you can call Health Care Options to ask for an expedited (fast) disenrollment.

Members who can request expedited disenrollment include, but are not limited to, children getting services under the Foster Care or Adoption Assistance programs,

members with special health care needs, and members already enrolled in Medicare or another Medi-Cal or commercial managed care plan.

You can ask to leave IEHP by contacting your local county health and human services office. Find your local office at:

<http://www.dhcs.ca.gov/services/medi-cal/Pages/CountyOffices.aspx>.

Or call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

Students who move to a new county or out of California

You can get emergency care and urgent care anywhere in the United States, including the U.S. Territories. Routine and preventive care are covered only in your county of residence. If you are a student who moves to a new county in California to attend higher education, including college, IEHP will cover emergency room and urgent care services in your new county. You can also get routine or preventive care in your new county, but you must notify IEHP. Read more below.

If you are enrolled in Medi-Cal and are a student in a different county from the California county where you live, you do not need to apply for Medi-Cal in that county.

If you temporarily move away from home to be a student in another county in California, you have two choices. You can:

- Tell your eligibility worker at your local county social services office that you are temporarily moving to attend a school for higher education and give them your address in the new county. The county will update the case records with your new address and county code. You must do this if you want to keep getting routine or preventive care while you live in a new county. If IEHP does not serve the county where you will attend college, you might have to change health plans. For questions and to prevent delay joining the new health plan, call Health Care Options at 1-800-430-4263 (TTY 1-800-430-7077 or 711).

Or

- If IEHP does not serve the new county where you attend college, and you do not change your health plan to one that serves that county, you will only get emergency room and urgent care services for some conditions in the new county. To learn more, read Chapter 3, “How to get care.” For routine or preventive health care, you would need to use the IEHP network of providers

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

As long as you qualify, Medi-Cal will cover emergency services and urgent care in another state. If IEHP approves the service and the doctor and hospital meet Medi-Cal rules, Medi-Cal will also cover emergency care that requires hospitalization in Canada and Mexico.

Routine and preventive care services, including prescription drugs, are not covered when you are outside of California. You will not qualify for Medi-Cal. IEHP will not pay for your health care. If you want Medicaid in another state, you will need to apply in that state. Medi-Cal does not cover emergency, urgent, or any other health care services outside of the United States, except for Canada and Mexico as noted in Chapter 3.

Continuity of care

Continuity of care for an out-of-network provider

As a member of IEHP, you will get your health care from providers in IEHP's network. To find out if a health care provider is in the IEHP's network, read visit www.iehp.org and click on the *Find a Doctor* tab. Providers not listed in the directory may not be in the IEHP network.

In some cases, you might be able to get care from providers who are not in the IEHP network. If you were required to change your health plan or to switch from FFS to managed care, or you had a provider who was in network but is now outside the network, you might be able to keep your provider even if they are not in the IEHP network. This is called continuity of care.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

If you need to get care from a provider who is outside the network, call IEHP to ask for continuity of care. You may be able to get continuity of care for up to 12 months or more if all of these are true:

- You have an ongoing relationship with the out-of-network provider before enrollment in IEHP
- You went to the out-of-network provider for a non-emergency visit at least once during the 12 months before your enrollment with IEHP
- The out-of-network provider is willing to work with IEHP and agrees to IEHP's contract requirements and payment for services
- The out-of-network provider meets IEHP's professional standards
- The out-of-network provider is enrolled and participating in the Medi-Cal program

To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If your providers do not join the IEHP network by the end of 12 months, do not agree to IEHP payment rates, or do not meet quality of care requirements, you will need to change to providers in the IEHP network. To discuss your choices, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP is not required to provide continuity of care for an out-of-network provider for certain ancillary (supporting) services such as radiology, laboratory, dialysis centers, or transportation. You will get these services with a provider in IEHP's network.

To learn more about continuity of care and if you qualify, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347).

Completion of covered services from an out-of-network provider

As a member of IEHP, you will get covered services from providers in IEHP's network. If you are being treated for certain health conditions at the time you enrolled with IEHP or at the time your provider left IEHP's network, you might also still be able to get Medi-Cal services from an out-of-network provider.

You might be able to continue care with an out-of-network provider for a specific time period if you need covered services for these health conditions:

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Costs

Member costs

IEHP serves people who qualify for Medi-Cal. In most cases, IEHP members do not have to pay for covered services, premiums, or deductibles.

If you are an American Indian, you do not have to pay enrollment fees, premiums, deductibles, co-pays, cost sharing, or other similar charges. IEHP must not charge any American Indian member who gets an item or service directly from an IHCP or through a referral to an IHCP or reduce payments due to an IHCP by the amount of any enrollment fee, premium, deductible, copayment, cost sharing, or similar charge.

If you are enrolled in the California Children's Health Insurance Program (CCHIP) in Santa Clara, San Francisco, or San Mateo counties or are enrolled in Medi-Cal for Families, you might have a monthly premium and co-pays.

Except for emergency care, urgent care, or sensitive care, you must get pre-approval (prior authorization) from IEHP before you visit a provider outside the IEHP network. If you do not get pre-approval (prior authorization) and you go to a provider outside the network for care that is not emergency care, urgent care, or sensitive care, you might have to pay for care you got from that provider. For a list of covered services, read Chapter 4, "Benefits and services" in this handbook. You can also find the Provider Directory on the IEHP website at www.iehp.org.

2 | About your health plan

For members with long-term care and a share of cost

You might have to pay a share of cost each month for your long-term care services. The amount of your share of cost depends on your income and resources. Each month, you will pay your own health care bills, including but not limited to Long-Term Support Service (LTSS) bills, until the amount you have paid equals your share of cost. After that, IEHP will cover your long-term care for that month. You will not be covered by IEHP until you have paid your entire long-term care share of cost for the month.

How a provider gets paid

IEHP pays providers in these ways:

- Capitation payments
 - IEHP pays some providers a set amount of money every month for each IEHP member. This is called a capitation payment. IEHP and providers work together to decide on the payment amount.
- FFS payments
 - Some providers give care to IEHP members and send IEHP a bill for the services they provided. This is called an FFS payment. IEHP and providers work together to decide how much each service costs.

To learn more about how IEHP pays providers, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP offers a Global Quality Pay for Performance (GQP4P) Program or Medi-Cal Independent Practice Associations (IPAs) and PCPs. The GQP4P program offers financial rewards to IPAs and PCPs for reaching goals to improve quality of care and service. To be eligible for incentive payments, PCPs must meet specific Member assignment criteria. PCPs who meet these requirements are automatically enrolled in the program.

If you get a bill from a health care provider

Covered services are health care services that IEHP must pay. If you get a bill for support services fees, copayments, or registration fees for a covered service, do not pay the bill. Call member services right away at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

If you get a bill from a pharmacy for a prescription drug, supplies, or supplements, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m. You can also go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Asking IEHP to pay you back for expenses

If you paid for services that you already got, you might qualify to be reimbursed (paid back) if you meet **all** of these conditions:

- The service you got is a covered service that IEHP is responsible for paying. IEHP will not reimburse you for a service that IEHP does not cover.
- You got the covered service after you became an eligible IEHP member.
- You ask to be paid back within one year from the date you got the covered service.
- You show proof that you paid for the covered service, such as a detailed receipt from the provider.
- You got the covered service from a Medi-Cal enrolled provider in IEHP's network. You do not need to meet this condition if you got emergency care, family planning services, or another service that Medi-Cal allows out-of-network providers to perform without pre-approval (prior authorization).
- If the covered service normally requires pre-approval (prior authorization), you need to give proof from the provider that shows a medical need for the covered service.

IEHP will tell you if they will reimburse you in a letter called a Notice of Action (NOA). If you meet all of the above conditions, the Medi-Cal-enrolled provider should pay you back for the full amount you paid. If the provider refuses to pay you back, IEHP will pay you back for the full amount you paid. We must reimburse you within 45 working days of receipt of the claim.

If the provider is enrolled in Medi-Cal but is not in the IEHP network and refuses to pay you back, IEHP will pay you back, but only up to the amount that FFS Medi-Cal would pay. IEHP will pay you back for the full out-of-pocket amount for emergency services, family planning services, or another service that Medi-Cal allows to be provided by out-of-network providers without pre-approval (prior authorization). If you do not meet one of the above conditions, IEHP will not pay you back.

IEHP will not pay you back if:

- You asked for and got services that are not covered by Medi-Cal, such as

cosmetic services

- The service is not a covered service for IEHP
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You have Medicare Part D co-pays for prescriptions covered by your Medicare Part D plan

If you pay for a service that you think IEHP should cover, you can submit the following information in writing:

- A complete itemized bill to include:
 - Billing account number
 - Billing phone number
 - Amount charged
 - Provider name
 - Provider address
 - Provider phone number
 - Date of service
- Proof of payment,
- The member's name and address,
- The member identification number on the member ID card.

Send all of the above information to:

IEHP Member Services

You need to send this information within one year from the date of service. If you have paid the bill, the proof of payment must be acceptable to IEHP. If you are not able to send your request within one year from the date of service, then when you send your written request for refund, include an explanation and/or other proof that you tried, in good faith, to send us the request within the one-year period. IEHP will review your claim to see if you can get money back.

3. How to get care

Getting health care services

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

You can start getting health care services on your effective date of enrollment in IEHP. Always carry with you your IEHP Identification (ID) card, Medi-Cal Benefits Identification Card (BIC), and any other health insurance cards. Never let anyone else use your BIC or IEHP ID card.

New members with only Medi-Cal coverage must choose a primary care provider (PCP) in the IEHP network. New members with both Medi-Cal and comprehensive other health coverage do not have to choose a PCP.

The IEHP network is a group of doctors, hospitals, and other providers who work with IEHP. You must choose a PCP within 30 days from the time you become a member of IEHP. If you do not choose a PCP, IEHP will choose one for you.

You can choose the same PCP or different PCPs for all family members in IEHP, as long as the PCP is available.

If you have a doctor you want to keep, or you want to find a new PCP, go to the Provider Directory for a list of all PCPs and other providers in the IEHP network. The Provider Directory has other information to help you choose a PCP. If you need a Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also find the Provider Directory on the IEHP website at www.iehp.org.

If you cannot get the care you need from a participating provider in the IEHP network, your PCP or specialist in IEHP's network must ask IEHP for approval to send you to an out-of-network provider. This is called a referral. You do not need a referral to go to an out-of-network provider to get sensitive care services listed under the heading "Sensitive care" later in this chapter.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

Read the rest of this chapter to learn more about PCPs, the Provider Directory, and the provider network.

The Medi-Cal Rx program administers outpatient prescription drug coverage. To learn more, read “Other Medi-Cal programs and services” in Chapter 4.

Primary care provider (PCP)

Your primary care provider (PCP) is the licensed provider you go to for most of your health care. Your PCP also helps you get other types of care you need. You must choose a PCP within 30 days of enrolling in IEHP. Depending on your age and sex, you can choose a general practitioner, OB/GYN, family practitioner, internist, or pediatrician as your PCP.

A nurse practitioner (NP), physician assistant (PA), or certified nurse midwife can also act as your PCP. If you choose an NP, PA, or certified nurse midwife, you can be assigned a doctor to oversee your care. If you are in both Medicare and Medi-Cal, or if you also have other comprehensive health care insurance, you do not have to choose a PCP.

You can choose an Indian Health Care Provider (IHCP), Federally Qualified Health Center (FQHC), or Rural Health Clinic (RHC) as your PCP. Depending on the type of provider, you might be able to choose one PCP for yourself and your other family members who are members of IEHP, as long as the PCP is available.

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the IEHP network.

If you do not choose a PCP within 30 days of enrollment, IEHP will assign you to a PCP. If you are assigned to a PCP and want to change, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). The change happens the first day of the next month.

Your PCP will:

- Get to know your health history and needs
- Keep your health records
- Give you the preventive and routine health care you need
- Refer (send) you to a specialist if you need one

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

- Arrange for hospital care if you need it

You can look in the Provider Directory to find a PCP in the IEHP network. The Provider Directory has a list of IHCPs, FQHCs, and RHCs that work with IEHP.

You can find the IEHP Provider Directory online at www.iehp.org. Or you can request a Provider Directory to be mailed to you by calling IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also call to find out if the PCP you want is taking new patients.

Choice of doctors and other providers

You know your health care needs best, so it is best if you choose your PCP. It is best to stay with one PCP so they can get to know your health care needs. If you want to change to a new PCP, you can change anytime. You must choose a PCP who is in the IEHP provider network and is taking new patients.

Your new choice will become your PCP on the first day of the next month after you make the change.

To change your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711)

IEHP can change your PCP if the PCP is not taking new patients, has left the IEHP network, does not give care to patients your age, or if there are quality concerns with the PCP that are not resolved. IEHP or your PCP might also ask you to change to a new PCP if you cannot get along with or agree with your PCP, or if you miss or are late to appointments. If IEHP needs to change your PCP, IEHP will tell you in writing.

If your PCP changes, you will get a letter and new IEHP member ID card in the mail. It will have the name of your new PCP. Call member services if you have questions about getting a new ID card. IEHP offers a secure online portal for you to get your health information 24 hours a day, 7 days a week. The secure member portal allows you to order a new IEHP Member ID card, change your doctor, check eligibility, and many more. To create an account, go to www.iehp.org.

Some things to think about when picking a PCP:

- Does the PCP take care of children?
- Does the PCP work at a clinic I like to use?
- Is the PCP's office close to my home, work, or my children's school?

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Initial Health Appointment (IHA)

IEHP recommends that, as a new member, you visit your new PCP within 120 days for an Initial Health Appointment (IHA). The purpose of the IHA is to help your PCP learn your health care history and needs. Your PCP might ask you questions about your health history or may ask you to complete a questionnaire. Your PCP will also tell you about health education counseling and classes that can help you.

When you call to schedule your IHA appointment, tell the person who answers the phone that you are a member of IEHP. Give your IEHP ID number.

Take your BIC and IEHP ID card to your appointment. It is a good idea to take a list of your medicine and questions with you to your visit. Be ready to talk with your PCP about your health care needs and concerns.

Be sure to call your PCP's office if you are going to be late or cannot go to your appointment.

If you have questions about IHA, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Routine care

Routine care is regular health care. It includes preventive care, also called wellness or well care. It helps you stay healthy and helps keep you from getting sick. Preventive care includes regular checkups, health education, and counseling.

IEHP recommends that children, especially, get regular routine and preventive care. IEHP members can get all recommended early preventive services recommended by the American Academy of Pediatrics and the Centers for Medicare and Medicaid Services. These screenings include hearing and vision screening, which can help ensure healthy development and learning. For a list of pediatrician-recommended

services, read the “Bright Futures” guidelines from the American Academy of Pediatrics at https://downloads.aap.org/AAP/PDF/periodicity_schedule.pdf.

Routine care also includes care when you are sick. IEHP covers routine care from your PCP.

Your PCP will:

- Give you most of your routine care, including regular checkups, shots, treatment, prescriptions, and medical advice
- Keep your health records
- Refer (send) you to specialists if needed
- Order X-rays, mammograms, or lab work if you need them

When you need routine care, you will call your doctor for an appointment. Be sure to call your PCP before you get medical care unless it is an emergency. For an emergency, call **911** or go to the nearest emergency room.

To learn more about health care and services your plan covers, and what it does not cover, read Chapter 4, “Benefits and services” and Chapter 5, “Child and youth well care” in this handbook.

All IEHP providers can use aids and services to communicate with people with disabilities. They can also communicate with you in another language or format. Tell your provider or IEHP what you need.

Provider network

The Medi-Cal provider network is the group of doctors, hospitals, and other providers that work with IEHP to provide Medi-Cal covered services to Medi-Cal members.

IEHP is a managed care health plan. You must get most of your covered services through the IEHP from our in-network providers. You can go to an out-of-network provider without a referral or pre-approval for emergency care or for family planning services. You can also go to an out-of-network provider for out-of-area urgent care when you are in an area that we do not serve. You must have a referral or pre-approval for all other out-of-network services, or they will not be covered.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

Note: American Indians can choose an IHCP as their PCP, even if the IHCP is not in the IEHP network.

If your PCP, hospital, or other provider has a moral objection to providing you with a covered service, such as family planning or abortion, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). For more about moral objections, read “Moral objection” later in this chapter.

If your provider has a moral objection to giving you covered health care services, they can help you find another provider who will give you the services you need. IEHP can also help you find a provider who will perform the service.

In-network providers

You will use providers in the IEHP network for most of your health care needs. You will get preventive and routine care from in-network providers. You will also use specialists, hospitals, and other providers in the IEHP network.

To get a Provider Directory of in-network providers, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also find the Provider Directory online at www.iehp.org. To get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

You must get pre-approval (prior authorization) from IEHP before you go to a provider outside the IEHP network, including inside the IEHP service area, except in these cases:

- If you need emergency care, call 911 or go to the nearest hospital.
- If you are outside the IEHP service area and need urgent care, go to any urgent care facility.
- If you need family planning services, go to any Medi-Cal provider without pre-approval (prior authorization).
- If you need mental health services, go to an in-network provider or a county mental health plan provider, without pre-approval (prior authorization).

If you are not in one of the cases listed above and you do not get pre-approval (prior authorization) before getting care from a provider outside the network, you might be responsible for paying for any care you got from out-of-network providers.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Out-of-network providers who are inside the service area

Out-of-network providers are health care providers that do not have an agreement to work with IEHP. Except for emergency care, you might have to pay for any care you get from out-of-network providers. If you need medically necessary health care services that are not available in the network, you might be able to get them from an out-of-network provider at no cost to you.

IEHP may approve a referral to an out-of-network provider if the services you need are not available in-network or are located very far from your home. If we give you a referral to an out-of-network provider, we will pay for your care.

For urgent care inside the IEHP service area, you must go to a IEHP in-network urgent care provider. You do not need pre-approval (prior authorization) to get urgent care from an in-network provider. You do need to get pre-approval (prior authorization) to get urgent care from an out-of-network provider inside the IEHP service area.

If you get urgent care from an out-of-network provider inside IEHP service area, you might have to pay for that care. You can read more about emergency care, urgent care, and sensitive care services in this chapter.

Note: If you are an American Indian, you can get care at an IHCP outside of our provider network without a referral. An out-of-network IHCP can also refer American Indian members to an in-network provider without first requiring a referral from an in-network PCP.

If you need help with out-of-network services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Outside the service area

If you are outside of the IEHP service area and need care that is **not** an emergency or urgent, call your PCP right away. Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

For emergency care, call **911** or go to the nearest emergency room. IEHP covers out-of-network emergency care. If you travel to Canada or Mexico and need emergency care requiring hospitalization, IEHP will cover your care. If you are traveling abroad outside of Canada or Mexico and need emergency care, urgent care, or any health care services IEHP will **not** cover your care.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

If you paid for emergency care requiring hospitalization in Canada or Mexico, you can ask IEHP to pay you back. IEHP will review your request.

If you are in another state or are in a US Territory such as American Samoa, Guam, Northern Mariana Islands, Puerto Rico, or US Virgin Islands, you are covered for emergency care. Not all hospitals and doctors accept Medicaid. (Medi-Cal is what Medicaid is called in California only.) If you need emergency care outside of California, tell the hospital or emergency room doctor as soon as possible that you have Medi-Cal and are a member of IEHP.

Ask the hospital to make copies of your IEHP ID card. Tell the hospital and the doctors to bill IEHP. If you get a bill for services you got in another state, call IEHP right away. We will work with the hospital and/or doctor to arrange for IEHP to pay for your care.

If you are outside of California and have an emergency need to fill outpatient prescription drugs, have the pharmacy call Medi-Cal Rx at 1-800-977-2273.

Note: American Indians may get services at out-of-network IHCPs.

If you have questions about out-of-network or out-of-service-area care, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If the office is closed and you want help from a representative, call IEHP's 24-Hour Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711).

If you need urgent care out of the IEHP service area, go to the nearest urgent care facility. If you are traveling outside the United States and need urgent care, IEHP will not cover your care. For more on urgent care, read "Urgent care" later in this chapter.

How managed care works

IEHP is a managed care plan. IEHP provides care to members who live or work in Riverside County and San Bernardino County. In managed care, your PCP, specialists, clinic, hospital, and other providers work together to care for you.

IEHP contracts with an Independent Physician Association (IPA) or medical group to provide care to IEHP members. A medical group or IPA is made up of doctors who are PCPs and specialists. Your PCP may be a part of an IPA or medical group. The medical group or IPA works with other providers such as laboratories and durable medical equipment suppliers. The medical group or IPA is also connected with a hospital. Check your IEHP ID card for the names of your PCP, medical group or IPA, and hospital.

When you join IEHP, you choose or are assigned to a PCP. Your PCP is part of a

medical group. Your PCP and medical group direct the care for all of your medical needs. Your PCP may refer you to specialists or order lab tests and X-rays. If you need services that require pre-approval (prior authorization), IEHP or your medical group will review the pre-approval (prior authorization) and decide whether to approve the service.

In most cases, you must go to specialists and other health professionals who work with the same medical group as your PCP. Except for emergencies, you must also get hospital care from the hospital connected with your medical group.

Sometimes, you might need a service that is not available from a provider in the medical group. In that case, your PCP will refer you to a provider who is in another medical group or is outside the network. Your PCP will ask for pre-approval (prior authorization) for you to go to this provider.

In most cases, you must have prior authorization from your PCP, medical group, or IEHP before you can go to an out-of-network provider or a provider who is not part of your medical group. You do not need pre-approval (prior authorization) for emergency services, family planning services, or in-network mental health services.

Members who have both Medicare and Medi-Cal

Members who have Medicare and Medi-Cal have access to providers who are part of their Medicare coverage as well as providers who are included in the Medi-Cal plan coverage. Members may refer to their Medicare Advantage EOC and Provider Directory for more information.

Doctors

You will choose a doctor from the IEHP Provider Directory as your PCP. The doctor you choose must be an in-network provider. To get a copy of the IEHP Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or find it online at www.iehp.org.

If you are choosing a new PCP, you should also call the PCP you want to make sure they are taking new patients.

If you had a doctor before you were a member of IEHP, and that doctor is not part of the IEHP network, you might be able to keep that doctor for a limited time. This is called continuity of care. You can read more about continuity of care in this handbook. To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

If you need a specialist, your PCP will refer you to a specialist in the IEHP network. Some specialists do not require a referral. For more on referrals, read “Referrals” later in this chapter.

Remember, if you do not choose a PCP, IEHP will choose one for you, unless you have other comprehensive health coverage in addition to Medi-Cal. You know your health care needs best, so it is best if you choose. If you are in both Medicare and Medi-Cal, or if you have other health care insurance, you do not have to choose a PCP from IEHP.

If you want to change your PCP, you must choose a PCP from the IEHP Provider Directory. Be sure the PCP is taking new patients. To change your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Hospitals

In an emergency, call **911** or go to the nearest hospital.

If it is not an emergency and you need hospital care, your PCP will decide which hospital you go to. You will need to go to a hospital that your PCP uses and is in the IEHP provider network. The Provider Directory lists the hospitals in the IEHP network.

Women’s health specialists

You can go to a women’s health specialist in IEHP’s network for covered care necessary to provide women’s routine care services. You do not need a referral or authorization from your PCP to get these services. For help finding a women’s health specialist, you can call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). You can also call the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711).

Provider Directory

The IEHP Provider Directory lists providers in the IEHP network. The network is the group of providers that work with IEHP.

The IEHP Provider Directory lists hospitals, PCPs, specialists, nurse practitioners, nurse midwives, physician assistants, family planning providers, FQHCs, outpatient mental health providers, long-term services and supports (MLTSS), Freestanding Birth Centers (FBCs), Indian Health Care Providers (IHCPs), and Rural Health Clinics (RHCs).

The Provider Directory has IEHP in-network provider names, specialties, addresses,

phone numbers, business hours, and languages spoken. It tells you if the provider is taking new patients. It also gives the physical accessibility for the building, such as parking, ramps, stairs with handrails, and restrooms with wide doors and grab bars. To learn more about a doctor’s education, training, and board certification, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You can find the online Provider Directory at www.iehp.org.

If you need a printed Provider Directory, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at <https://medi-calrx.dhcs.ca.gov/home/>. You can also find a pharmacy near you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Timely access to care

Your in-network provider must provide timely access to care based on your health care needs. At minimum, they must offer you an appointment listed in the time frames in the table below.

Appointment type	You should be able to get an appointment within:
Urgent care appointments that do not require pre-approval (prior authorization)	48 hours
Urgent care appointments that do require pre-approval (prior authorization)	96 hours
Non-urgent (routine) primary care appointments	10 business days
Non-urgent (routine) specialist care appointments	15 business days
Non-urgent (routine) mental health provider (non-doctor) care appointments	10 business days

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Appointment type	You should be able to get an appointment within:
Non-urgent (routine) mental health provider (non-doctor) follow-up care appointments	10 business days of last appointment
Non-urgent (routine) appointments for ancillary (supporting) services for the diagnosis or treatment of injury, illness, or other health condition	15 business days

Appointment type for Behavioral Health	You should be able to get connected within:
Life-threatening emergency	Immediate disposition of Members to appropriate care setting
Non-life-threatening emergency	6 hours or go to the ER
Urgent visit for behavioral health need that do not require a prior authorization	Within 48 hours of request
Urgent visit for behavioral health need that do require a prior authorization	Within 48 hours of request
Initial routine (non-urgent) appointment with a Behavioral Health provider	10 business days
Follow-up routine	10 business days

Other wait time standards	You should be able to get connected within:
Member services telephone wait times during normal business hours – Calls received after normal business hours (Monday – Friday, 8am – 5pm) are returned within one (1) business day. Calls received after midnight are responded to the same business day.	10 minutes
Telephone wait times for Nurse Advice Line	30 minutes (connected to nurse)

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Sometimes waiting longer for an appointment is not a problem. Your provider might give you a longer wait time if it would not be harmful to your health. It must be noted in your record that a longer wait time will not be harmful to your health. Also, if you prefer to wait for a later appointment that will better fit your schedule or go to another provider of your choice, your provider or your IEHP will respect your wish.

Your doctor may recommend a specific schedule for preventive services, follow-up care for ongoing conditions or standing referrals to specialists, depending on your needs.

Tell us if you need interpreter services when you call IEHP or when you get covered services. Interpreter services, including sign language, are available at no cost to you. We highly discourage the use of minors or family members as interpreters. To learn more about interpreter services we offer, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If you need interpreter services, including sign language, at a Medi-Cal Rx pharmacy, call Medi-Cal Rx Customer Service at 1-800-977-2273, 24 hours a day, 7 days a week. TTY users can call 711, Monday through Friday, 8 a.m. to 5 p.m.

Travel time or distance to care

IEHP must follow travel time or distance standards for your care. Those standards help make sure you can get care without having to travel too far from where you live. Travel time or distance standards depend on the county you live in.

If IEHP is not able to provide care to you within these travel time or distance standards, DHCS may allow a different standard, called an alternative access standard. For IEHP's time or distance standards for where you live, visit www.iehp.org. Or call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If you need care from a provider located far from where you live, call member services at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). They can help you find care with a provider located closer to you. If IEHP cannot find care for you from a closer provider, you can ask IEHP to arrange transportation for you to go to your provider, even if that provider is located far from where you live.

If you need help with pharmacy providers, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

It is considered far if you cannot get to that provider within the IEHP's travel time or distance standards for your county, regardless of any alternative access standard IEHP might use for your ZIP Code.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Appointments

When you need health care:

- Call your PCP
- Have your IEHP ID number ready on the call
- Leave a message with your name and phone number if the office is closed
- Take your BIC and IEHP ID card to your appointment
- Ask for transportation to your appointment, if needed
- Ask for needed language assistance or interpreting services before your appointment to have the services at the time of your visit
- Be on time for your appointment, arrive a few minutes early to sign in, fill out forms, and answer any questions your PCP may have
- Call right away if you cannot keep your appointment or will be late
 - Have your questions and medication information ready

If you have an emergency, call **911** or go to the nearest emergency room. If you need help deciding how urgently you need care and your PCP is not available to speak with you, call the Nurse Advice Line.

Getting to your appointment

If you don't have a way to get to and from your appointments for covered services, IEHP can help arrange transportation for you. Depending on your situation, you may qualify for either Medical Transportation or for Non-Medical Transportation. These transportation services are not for emergencies and may be available at no cost to you.

If you are having an emergency, call **911**. Transportation is available for services and appointments not related to emergency care. They may be available at no cost to you.

To learn more, read, "Transportation benefits for situations that are not emergencies" below.

Canceling and rescheduling

If you can't get to your appointment, call your provider's office right away. Most doctors require you to call 24 hours (1 business day) before your appointment if you have to cancel. If you miss repeated appointments, your doctor might stop providing care to you and you will have to find a new doctor.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Payment

You do **not** have to pay for covered services unless you have a share of cost for long-term care. To learn more, read “For members with long-term care and a share of cost” in Chapter 2. In most cases, you will not get a bill from a provider. You must show your IEHP ID card and your Medi-Cal BIC when you get health care services or prescriptions, so your provider knows who to bill. You can get an Explanation of Benefits (EOB) or a statement from a provider. EOBs and statements are not bills.

If you do get a bill, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If you get a bill for prescriptions, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Or visit the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Tell IEHP the amount you are being charged, the date of service, and the reason for the bill. You do not need to pay providers for any amount owed by IEHP for any covered service. You must get pre-approval (prior authorization) from IEHP before you visit an out-of-network provider except when:

- You need emergency services, in which case dial 911 or go to the nearest hospital
- You need family planning services or services related to testing for sexually transmitted infections, in which case you can go to any Medi-Cal provider without pre-approval (prior authorization)
- You need mental health services, in which case you can go to an in-network provider or to a county mental health plan provider without pre-approval (prior authorization)

If you get care from an out-of-network provider and you did not get pre-approval (prior authorization) from IEHP, you might have to pay for the care you got. If you need to get medically necessary care from an out-of-network provider because it is not available in the IEHP network, you will not have to pay as long as the care is a Medi-Cal covered service and you got pre-approval (prior authorization) from IEHP for it. To learn more about emergency care, urgent care, and sensitive services, go to those headings in this chapter.

If you get a bill or are asked to pay a co-pay you don't think you have to pay, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). If you pay the bill, you can file a claim form with IEHP. You will need to tell IEHP in writing why you

had to pay for the item or service. IEHP will read your claim and decide if you can get money back. IEHP Members have up to one year from the date of service to send IEHP a bill to be reimbursed. The Claims Department has 30 days to review and send you a letter. If the claim is accepted, you will get a check in the mail. If the request is denied, you will get a letter telling you why. If you do not agree with the decision, you can call IEHP Member Services and file a complaint.

For questions or to ask for a claim form, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

If you get services in the Veterans Affairs system or get non-covered or unauthorized services outside of California, you might be responsible for payment.

IEHP will not pay you back if:

- The services are not covered by Medi-Cal such as cosmetic services
- You have an unmet Medi-Cal share of cost
- You went to a doctor who does not take Medi-Cal and you signed a form that said you want to be seen anyway and you will pay for the services yourself
- You asked to be paid back for co-pays for prescriptions covered by your Medicare Part D plan

Referrals

If you need a specialist for your care, your PCP or another specialist will give you a referral to one. A specialist is a provider who focuses on one type of health care service. The doctor who refers you will work with you to choose a specialist. To help make sure you can go to a specialist in a timely way, DHCS sets time frames for members to get appointments. These time frames are listed in “Timely access to care” in this handbook. Your PCP’s office can help you set up an appointment with a specialist.

Other services that might need a referral include in-office procedures, X-rays, lab work, physical therapy, EKG, EEG, wellness, medical social services and enhanced care management.

Your PCP might give you a form to take to the specialist. The specialist will fill out the form and send it back to your PCP. The specialist will treat you for as long as they think you need treatment.

If you have a health problem that needs special medical care for a long time, you might need a standing referral. This means you can go to the same specialist more than once

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

without getting a referral each time.

If you have trouble getting a standing referral or want a copy of the IEHP referral policy, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

You do **not** need a referral for:

- PCP visits
- Obstetrics/Gynecology (OB/GYN) visits
- Urgent or emergency care visits
- Adult sensitive services, such as sexual assault care
- Family planning services (to learn more, call the Office of Family Planning Information and Referral Service at 1-800-942-1054)
- HIV testing and counseling (12 years or older)
- Sexually transmitted infection services (12 years or older)
- Chiropractic services (a referral may be required when provided by out-of-network FQHCs, RHCs, and IHCPs)
- Initial mental health assessment
- Acupuncture (the first two services per month; additional appointments will need a referral)
- Eligible dental services
- Preventive Services
- Out of area renal dialysis

Minors can also get certain outpatient mental health services, sensitive services, and substance use disorder services without parent’s consent. To learn more, read “Minor consent services” in this chapter and “Substance use disorder treatment services” in Chapter 4 of this handbook.

California Cancer Equity Act referrals

Effective treatment of complex cancers depends on many factors. These include getting the right diagnosis and getting timely treatment from cancer experts. If you are diagnosed with a complex cancer, the new California Cancer Care Equity Act allows you to ask for a referral from your doctor to get cancer treatment from an in-network National Cancer Institute (NCI)-designated cancer center, NCI Community Oncology Research Program (NCORP)-affiliated site, or a qualifying academic cancer center.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

If IEHP does not have an in-network NCI-designated cancer center, IEHP will allow you to ask for a referral to get cancer treatment from one of these out-of-network centers in California, if one of the out-of-network centers and IEHP agree on payment, unless you choose a different cancer treatment provider.

If you have been diagnosed with cancer, contact IEHP to find out if you qualify for services from one of these cancer centers.

Pre-approval (prior authorization)

For some types of care, your PCP or specialist will need to ask IEHP for permission before you get the care. This is called asking for pre-approval or prior authorization. It means IEHP must make sure the care is medically necessary (needed).

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under age 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition.

The following services always need pre-approval (prior authorization), even if you get them from a provider in the IEHP network:

- Hospitalization, if not an emergency
- Services out of the IEHP service area, if not an emergency or urgent care
- Outpatient surgery
- Long-term care or skilled nursing services at a nursing facility
- Specialized treatments, imaging, testing, and procedures
- Medical transportation services when it is not an emergency

Emergency ambulance services do not require pre-approval (prior authorization).

Under Health and Safety Code Section 1367.01(h)(1), IEHP has 5 business days from

when IEHP gets the information reasonably needed to decide (approve or deny) pre-approval (prior authorization) requests. For requests a provider made or when IEHP finds that following the standard time frame could seriously endanger your life or health or ability to attain, maintain, or regain maximum function, IEHP will make an expedited (fast) pre-approval (prior authorization) decision.

IEHP will give you notice as quickly as your health condition requires and no later than 72 hours after getting the request for services.

Clinical or medical staff such as doctors, nurses, and pharmacists review pre-approval (prior authorization) requests.

IEHP does not influence the reviewers' decision to deny or approve coverage or services in any way. If IEHP does not approve the request, IEHP will send you a Notice of Action (NOA) letter. The NOA will tell you how to file an appeal if you do not agree with the decision.

IEHP will contact you if IEHP needs more information or more time to review your request.

You never need pre-approval (prior authorization) for emergency care, even if it is out of the network or out of your service area. This includes labor and delivery if you are pregnant. You do not need pre-approval (prior authorization) for certain sensitive care services. To learn more about sensitive care services, read "Sensitive care" later in this chapter.

For questions about pre-approval (prior authorization), call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Second opinions

You might want a second opinion about care your provider says you need or about your diagnosis or treatment plan. For example, you might want a second opinion if you want to make sure your diagnosis is correct, you are not sure you need a prescribed treatment or surgery, or you have tried to follow a treatment plan and it has not worked.

If you want to get a second opinion, we will refer you to a qualified in-network provider who can give you a second opinion. For help choosing a provider, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

IEHP will pay for a second opinion if you or your in-network provider asks for it, and you

get the second opinion from an in-network provider. You do not need pre-approval (prior authorization) from IEHP to get a second opinion from an in-network provider. Your in-network provider can help you get a referral for a second opinion if you need one.

If there is no provider in the IEHP network who can give you a second opinion, IEHP will pay for a second opinion from an out-of-network provider. IEHP will tell you within 5 business days if the provider you choose for a second opinion is approved. If you have a chronic, severe, or serious illness, or have an immediate and serious threat to your health, including, but not limited to, loss of life, limb, or major body part or bodily function, IEHP will tell you in writing within 72 hours.

If IEHP denies your request for a second opinion, you can file a grievance. To learn more about grievances, read “Complaints” in Chapter 6 of this handbook.

Utilization management processes

IEHP has specific processes for Utilization Management (UM). These processes are used when your Doctor’s Utilization Management Committee and/or Medical Director approves or denies referral requests. IEHP also has guidelines or criteria that are used in specific cases to approve or deny requested health care services. In all cases, your Doctor’s Utilization Management Committee and/or Medical Director is required to take a Member’s needs into account when making decisions to approve or deny requested health care services. If you would like a copy of the IEHP Utilization Management processes, or would like a specific treatment guideline or criteria, please call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1 800 718 4347). The Utilization Management (UM) staff is on hand between 8am and 5pm during working days to talk about any UM issues. Staff may send outbound messages regarding UM inquiries during normal working hours and will always identify themselves by name, title, and organization name when calling or returning your calls. You can also call the California Department of Health Care Services (DHCS) at 1-888-452-8609.

Sensitive care

Minor consent services

If you are under age 18, you can get some services without a parent’s or guardian’s permission. These services are called minor consent services.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

You may get these services without your parent or guardian's permission:

- Sexual assault services, including outpatient mental health care
- Pregnancy
- Family planning and birth control
- Abortion services

If you are 12 years old or older, you may also get these services without your parent's or guardian's permission:

- Outpatient mental health care for:
 - Sexual assault
 - Incest
 - Physical assault
 - Child abuse
 - When you have thoughts of hurting yourself or others
- HIV/AIDS prevention, testing, and treatment
- Sexually transmitted infections prevention, testing, and treatment
- Substance use disorder treatment
 - To learn more, read "Substance use disorder treatment services" in Chapter 4 of this handbook.

For pregnancy testing, family planning services, birth control services, or services for sexually transmitted infections, the doctor or clinic does not have to be in the IEHP network. You can choose any Medi-Cal provider and go to them for these services without a referral or pre-approval (prior authorization).

For minor consent services that are not specialty mental health services, you can go to an in-network provider without a referral and without pre-approval (prior authorization). Your PCP does not have to refer you and you do not need to get pre-approval (prior authorization) from IEHP to get covered minor consent services.

Minor consent services that are specialty mental health services are not covered. Specialty mental health services are covered by the county mental health plan for the county where you live.

Minors can talk to a representative in private about their health concerns by calling the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711).

IEHP will not send information about getting sensitive services to parents or guardians. To learn more about how to ask for confidential communications related to sensitive

services, read “Notice of privacy practices” in Chapter 7 of this handbook.

Adult sensitive care services

As an adult 18 years or older, you may not want to go to your PCP for certain sensitive or private care. You can choose any doctor or clinic for these types of care:

- Family planning and birth control including sterilization for adults 21 and older
- Pregnancy testing and counseling
- HIV/AIDS prevention and testing
- Sexually transmitted infections prevention, testing, and treatment
- Sexual assault care
- Outpatient abortion services

For sensitive care, the doctor or clinic does not have to be in the IEHP network. You can choose to go to any Medi-Cal provider for these services without a referral or pre-approval (prior authorization) from IEHP. If you got care not listed here as sensitive care from an out-of-network provider, you might have to pay for it.

If you need help finding a doctor or clinic for these services, or help getting to these services (including transportation), call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or call the 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711).

IEHP will not disclose medical information related to sensitive services to any other member without written authorization from you, the member receiving care. To learn more about how to ask for confidential communications related to sensitive services, read “Notice of privacy practices” in Chapter 7.

Moral objection

Some providers have a moral objection to some covered services. They have a right to **not** offer some covered services if they morally disagree with the services. If your provider has a moral objection, they will help you find another provider for the needed services. IEHP can also help you find a provider.

Some hospitals and providers do not provide one or more of these services even if they are covered by Medi-Cal:

- Family planning
- Contraceptive services, including emergency contraception

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

To make sure you choose a provider who can give you the care you and your family needs, call the doctor, medical group, independent practice association, or clinic you want. Or call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Ask if the provider can and will provide the services you need.

These services are available to you. IEHP will make sure you and your family members can use providers (doctors, hospitals, clinics) who will give you the care you need. If you have questions or need help finding a provider, call IEHP at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Urgent care

Urgent care is **not** for an emergency or life-threatening condition. It is for services you need to prevent serious damage to your health from a sudden illness, injury, or complication of a condition you already have. Most urgent care appointments do not need pre-approval (prior authorization). If you ask for an urgent care appointment, you will get an appointment within 48 hours. If the urgent care services you need require a pre-approval (prior authorization), you will get an appointment within 96 hours of your request.

For urgent care, call your PCP. If you cannot reach your PCP, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Or you can call 24/7 Nurse Advice Line at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711), to learn the level of care that is best for you.

If you need urgent care out of the area, go to the nearest urgent care facility.

Urgent care needs could be:

- Cold
- Sore throat
- Fever
- Ear pain
- Sprained muscle
- Maternity services

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

3 | How to get care

You must get urgent care services from an in-network provider when you are inside IEHP's service area. You do not need pre-approval (prior authorization) for urgent care from in-network providers inside IEHP's service area. If you are outside the IEHP service area, but inside the United States, you do not need pre-approval (prior authorization) to get urgent care.

Go to the nearest urgent care facility. Medi-Cal does not cover urgent care services outside the United States. If you are traveling outside the United States and need urgent care, we will not cover your care.

If you need mental health urgent care, call your county mental health plan or Member Services at IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Call your county mental health plan or your IEHP Behavioral Health Organization any time, 24 hours a day, 7 days a week. part of your covered visit. If your urgent care provider gives you a prescription to take to a pharmacy, Medi-Cal Rx will decide if it is covered. To learn more about Medi-Cal Rx, read “Prescription drugs covered by Medi-Cal Rx” in “Other Medi-Cal programs and services” in Chapter 4.

Emergency care

For emergency care, call **911** or go to the nearest emergency room (ER). For emergency care, you do **not** need pre-approval (prior authorization) from IEHP.

Inside the United States, including any United States Territory, you have the right to use any hospital or other setting for emergency care.

If you are outside the United States, only emergency care requiring hospitalization in Canada and Mexico are covered. Emergency care and other care in other countries are not covered.

Emergency care is for life-threatening medical conditions. This care is for an illness or injury that a prudent (reasonable) layperson (not a health care professional) with average knowledge of health and medicine could expect that, if you don't get care right away, you would place your health (or your unborn baby's health) in serious danger. This includes risking serious harm to your bodily functions, body organs or body parts. Examples may include, but are not limited to:

- Active labor
- Broken bone
- Severe pain
- Chest pain
- Trouble breathing
- Severe burn
- Drug overdose
- Fainting
- Severe bleeding
- Psychiatric emergency conditions, such as severe depression or suicidal thoughts (this may be covered by county mental health plans)

Do **not** go to the ER for routine care or care that is not needed right away. You should get routine care from your PCP, who knows you best. If you are not sure if your medical condition is an emergency, call your PCP. You can also call the 24/7 Nurse Advice Line

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

at 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711).

If you need emergency care away from home, go to the nearest ER even if it is not in the IEHP network. If you go to an ER, ask them to call IEHP. You or the hospital that admitted you should call IEHP within 24 hours after you get emergency care. If you are traveling outside the United States other than to Canada or Mexico and need emergency care, IEHP will **not** cover your care.

If you need emergency transportation, call **911**. You do not need to ask your PCP or IEHP before you go to the ER.

If you need care in an out-of-network hospital after your emergency (post-stabilization care), the hospital will call IEHP.

Remember: Do not call **911** unless it is an emergency. Get emergency care only for an emergency, not for routine care or a minor illness like a cold or sore throat. If it is an emergency, call **911** or go to the nearest emergency room.

Nurse Advice Line

IEHP Nurse Advice Line can give you free medical information and advice 24 hours a day, every day of the year. Call 1-888-244-IEHP (4347) (TTY 1-866-577-8355 or 711) to:

- Talk to a nurse who will answer medical questions, give care advice, and help you decide if you should go to a provider right away
- Get help with medical conditions such as diabetes or asthma, including advice about what kind of provider may be right for your condition
- Talk to a nurse about whether you should get medical care, and how and where to get care. For example, if you are not sure if your condition is an emergency medical or mental health condition, they can help you decide if you need emergency services or urgent care. They can also tell you how and where to get that care.
- Get help on what to do if you need care and your health care provider's office is closed.

The Nurse Advice Line **cannot** help with clinic appointments or medicine refills. Call your provider's office if you need help with these.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Advance directives

An advance health directive is a legal form. You can list on the form the health care you want in case you cannot talk or make decisions later. You can also list what care you do **not** want. You can name someone, such as a spouse, to make decisions for your health care if you cannot.

You can get an advance directive form at pharmacies, hospitals, law offices, and doctors' offices. You might have to pay for the form. You can also find and download a free form online. You can ask your family, PCP, or someone you trust to help you fill out the form.

You have the right to have your advance directive placed in your medical records. You have the right to change or cancel your advance directive at any time.

You have the right to learn about changes to advance directive laws. IEHP will tell you about changes to the state law no longer than 90 days after the change.

To learn more, you can call IEHP at IEHP Member Services at 1-800-440-IEHP (4347).

Organ and tissue donation

You can help save lives by becoming an organ or tissue donor. If you are between 15 and 18 years old, you can become a donor with the written consent of your parent or guardian. You can change your mind about being an organ donor at any time. If you want to learn more about organ or tissue donation, talk to your PCP. You can also visit the United States Department of Health and Human Services website at www.organdonor.gov.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

4. Benefits and services

What your health plan covers

This chapter explains your covered services as a member of IEHP. Your covered services are free as long as they are medically necessary and provided by an in-network provider. You must ask us for pre-approval (prior authorization) if the care is out-of-network except for certain sensitive services and emergency care. Your health plan might cover medically necessary services from an out-of-network provider, but you must ask IEHP for pre-approval (prior authorization) for this.

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury. For members under the age of 21, Medi-Cal services include care that is medically necessary to fix or help relieve a physical or mental illness or condition. For more on your covered services, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Members under 21 years old get extra benefits and services. To learn more, read Chapter 5, “Child and youth well care.”

Some of the basic health benefits IEHP offers are listed below. Benefits with a star (*) need pre-approval (prior authorization) from IEHP or your IPA or medical group first.

Medically necessary services are reasonable and necessary to protect your life, keep you from becoming seriously ill or disabled, or reduce severe pain from a diagnosed disease, illness, or injury.

Medically necessary services include those services that are necessary for age-appropriate growth and development, or to attain, maintain, or regain functional capacity.

For members under 21 years of age, a service is medically necessary if it is necessary to correct or improve defects and physical and mental illnesses or conditions under the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit. This includes care that is necessary to fix or help relieve a physical or mental illness or condition or maintain the member's condition to keep it from getting worse.

Medically necessary services do not include:

- **Treatments that are untested or still being tested**
- **Services or items not generally accepted as effective**
- **Services outside the normal course and length of treatment or services that don't have clinical guidelines**
- **Services for caregiver or provider convenience**

IEHP coordinates with other programs to be sure you get all medically necessary services, even if those services are covered by another program and not IEHP.

Medically necessary services include covered services that are reasonable and necessary to:

- Protect life,
- Prevent significant illness or significant disability,
- Alleviate severe pain,
- Achieve age-appropriate growth and development, or
- Attain, maintain, and regain functional capacity

For members younger than 21 years old, medically necessary services include all covered services listed above plus any other necessary health care, diagnostic services, treatment, and other measures to correct or improve defects and physical and mental illnesses and conditions, the federal Early and Periodic Screening, Diagnostic and Treatment (EPSDT) benefit requires.

EPSDT provides prevention, diagnostic, and treatment services for low-income infants, children, and adolescents under age 21. EPSDT covers more services than the benefit for adults. It is designed to make sure children get early detection and care to prevent or diagnose and treat health problems. The EPSDT goal is to make sure every child gets the health care they need when they need it – the right care to the right child at the right time in the right setting.

IEHP will coordinate with other programs to make sure you get all medically necessary services, even if another program covers those services and IEHP does not. Read “Other Medi-Cal programs and services” in this chapter.

- Non-medical items, such as generators or accessories to make home dialysis equipment portable for travel

Doula services

IEHP covers doula services for members who are pregnant or were pregnant in the past year. Medi-Cal does not cover all doula services. Dyadic services

You are not required to use telehealth even if your provider agrees that it is appropriate for you.

Mental health services

Outpatient mental health services

IEHP covers initial mental health assessments without needing pre-approval (prior authorization). You can get a mental health assessment at any time from a licensed mental health provider in the IEHP network without a referral.

Your PCP or mental health provider might make a referral for more mental health screening to a specialist in the IEHP network to decide the level of care you need. If your mental health screening results find you are in mild or moderate distress or have impaired mental, emotional, or behavioral functioning, IEHP can provide mental health services for you. IEHP covers mental health services such as:

If your mental health screening shows that you may have a higher level of impairment and need specialty mental health services (SMHS), your PCP or your mental health provider can refer you to the county mental health plan to get the care you need.

To learn more, read “Other Medi-Cal programs and services” on page 84 under, “Specialty mental health services.”

Emergency care

Inpatient and outpatient services needed to treat a medical emergency

IEHP covers all services needed to treat a medical emergency that happens in the U.S. (including territories such as Puerto Rico, U.S. Virgin Islands, etc.). IEHP also covers emergency care that requires hospitalization in Canada or Mexico. A medical emergency is a medical condition with severe pain or serious injury. The condition is so serious that, if it does not get immediate medical attention, a prudent (reasonable) layperson (not a health care professional) could expect it to result in:

- Serious risk to your health,
- Serious harm to bodily functions,
- Serious dysfunction of any bodily organ or part, or
- Serious risk in cases of a pregnant person in active labor, meaning labor at a time when either of the following would occur:
 - There is not enough time to safely transfer you to another hospital before delivery.
 - The transfer might pose a threat to your health or safety or to that of your unborn child.

If a hospital emergency room provider gives you up to a 72-hour supply of an outpatient prescription drug as part of your treatment, IEHP will cover the prescription drug as part

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

of your covered Emergency Services. If a hospital emergency room provider gives you a prescription that you have to take to an outpatient pharmacy to be filled, Medi-Cal Rx will cover that prescription.

If a pharmacist at an outpatient pharmacy gives you an **emergency supply** of a medication, that emergency supply will be covered by Medi-Cal Rx and not IEHP. If the pharmacy needs help giving you an emergency medication supply, have them call Medi-Cal Rx at 1-800-977-2273.

Emergency transportation services

IEHP covers ambulance services to help you get to the nearest place of care in an emergency. This means your condition is serious enough that other ways of getting to a place of care could risk your health or life. No services are covered outside the U.S. except emergency care that requires you to be in the hospital in Canada or Mexico. If you get emergency ambulance services in Canada or Mexico and you are not hospitalized during that care episode, IEHP will not cover your ambulance services.

Hospice and palliative care*

IEHP covers hospice care and palliative care for children and adults, which help reduce physical, emotional, social, and spiritual discomforts. Adults ages 21 years or older may not get hospice care and palliative care services at the same time.

Hospice care

Hospice care is a benefit for terminally ill members. Hospice care requires the member to have a life expectancy of 6 months or less. It is an intervention that focuses mainly on pain and symptom management rather than on a cure to prolong life.

Hospice care includes:

- Nursing services
- Physical, occupational, or speech services
- Medical social services
- Home health aide and homemaker services
- Medical supplies and appliances
- Some drugs and biological services (some may be available through Medi-Cal Rx)

- Short-term inpatient care for pain control or symptom management in a hospital, skilled nursing facility, or hospice facility

Palliative care

Palliative care is patient and family-centered care that improves quality of life by anticipating, preventing, and treating suffering. Palliative care does not require the member to have a life expectancy of six months or less. Palliative care may be provided at the same time as curative care.

Palliative care includes:

- Advance care planning
- Palliative care assessment and consultation
- Plan of care including all authorized palliative and curative care
- Plan of care team including, but not limited to:
 - Doctor of medicine or osteopathy

Behavioral health treatments

IEHP covers behavioral health treatment (BHT) services for members under 21 years old through the EPSDT benefit. BHT includes services and treatment programs such as applied behavior analysis and evidence-based behavior intervention programs that develop or restore, to the maximum extent practicable, the functioning of a person under 21 years old.

BHT services teach skills using behavioral observation and reinforcement or through prompting to teach each step of a targeted behavior. BHT services are based on reliable evidence. They are not experimental. Examples of BHT services include behavioral interventions, cognitive behavioral intervention packages, comprehensive behavioral treatment, and applied behavioral analysis.

BHT services must be medically necessary, prescribed by a licensed doctor or psychologist, approved by the plan, and provided in a way that follows the approved treatment plan.

These methods of delivering nutrition to the body are used when a medical condition prevents you from eating food normally. Enteral nutrition formulas and parenteral nutrition products may be covered through Medi-Cal Rx, when medically necessary. Coverage is limited to the lowest cost aid that meets your medical needs. IEHP will cover one hearing aid unless an aid for each ear is needed for results much better than you can get with one aid.

Hearing aids for members under age 21:

In Riverside and San Bernardino counties, state law requires children who need hearing aid to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for medically necessary hearing aids. If the child does not qualify for CCS, we will cover medically necessary hearing aids as part of Medi-Cal coverage.

Hearing aids for members ages 21 and older.

Under Medi-Cal, we cover the following for each covered hearing aid:

Transportation benefits for situations that are not emergencies

You can get medical transportation if you have medical needs that do not allow you to use a car, bus, or taxi to your appointments. You can get medical transportation for covered services and Medi-Cal covered pharmacy appointments. You can request medical transportation by asking your doctor, dentist, podiatrist, or mental health or substance use disorder provider for it. Your provider will decide the correct type of transportation to meet your needs.

If they find that you need medical transportation, they will prescribe it by filling out a form and submitting it to IEHP. Once approved, the approval is good for up to 12 months, depending on the medical need. Once approved, you can get as many rides as you need. Your doctor will need to reassess your medical need for medical transportation and re-approve it every 12 months.

Medical transportation is an ambulance, litter van, wheelchair van, or air transport. IEHP allows the lowest cost medical transportation for your medical needs when you need a ride to your appointment. That means, for example, if you can physically or medically be transported by a wheelchair van, IEHP will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

You will get medical transportation if:

- It is physically or medically needed, with a written authorization by a doctor or other provider because you are not able to physically or medically able to use a bus, taxi, car, or van to get to your appointment
- You need help from the driver to and from your home, vehicle, or place of treatment due to a physical or mental disability

To ask for medical transportation that your doctor has prescribed for non-urgent (routine) appointments, call IEHP at 1-800-440-IEHP (4347) TTY 1-800-718-4347 or 711) **or** Call The Car at 1-855-673-3195 at least **5 business days** (Monday-Friday) before your appointment. Transportation is not covered outside of the network or service area unless pre-authorized by IEHP. How to get non-medical transportation

- Picking up prescriptions and medical supplies

IEHP allows you to use a car, taxi, bus, or other public or private way of getting to your medical appointment for Medi-Cal-covered services. IEHP will cover the lowest cost of non-medical transportation type that meets your needs. Sometimes, IEHP can reimburse you (pay you back) for rides in a private vehicle that you arrange. IEHP must approve this before you get the ride.

You must tell us why you cannot get a ride any other way, such as by bus. You can call, email, or tell us in person. If you have access to transportation or can drive yourself to the appointment, IEHP will not reimburse you. This benefit is only for members who do not have access to transportation.

For mileage reimbursement, you must submit copies of the driver's:

Health surveys to help our Care Management Team identify your health and wellness needs

The Health Information Form (HIF) enclosed in your welcome packet is a survey to help our Care Team of nurses and social workers find areas that you may need help with to support your health and wellness goals.

For our Members who are Seniors or Persons with Disabilities, you will be asked to fill out a Health Risk Assessment (HRA) survey either over the phone or by mail. The HRA is a way for our Care Team (nurses and social workers) to address your problems and concerns.

Basic care management

Getting care from many different providers or in different health systems is challenging. IEHP wants to make sure members get all medically necessary services, prescription medicines, and behavioral health services. IEHP can help coordinate and manage your health needs, at no cost to you. This help is available even when another program covers the services.

It can be hard to figure out how to meet your health care needs after you leave the hospital or if you get care in different systems. Here are some ways IEHP can help members:

- If you have trouble getting a follow-up appointment or medicines after you are discharged from the hospital, IEHP can help you.
- If you need help getting to an in-person appointment, IEHP can help you get free transportation.

If you have questions or concerns about your health or the health of your child, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Complex Care Management (CCM)

Members with more complex health needs may qualify for extra services focused on care coordination. IEHP offers Complex Care Management (CCM) services to members who are sick or have a serious illness, IEHP will work with you and your Doctor to make sure you get the care you need. The IEHP Behavioral Health and Care Management Team (BHCMT) can help you if you have a serious illness, like heart disease, lung disease, kidney disease, AIDS, Hepatitis C, spinal injury, or other chronic problems. The IEHP BHCMT can help you manage your condition and medicines, coordinate your care by working with your doctors, and can help you get any needed medical equipment.

An Interdisciplinary Care Team (ICT) can also help you with your personal plan of care. An ICT consists of your PCP, Nurse care manager, Behavioral Health care manager (when needed), and others who support your health care needs.

There are several ways that you can be referred into IEHP's Complex Care Management program such as:

- A Medical Management Referral (example: A nurse from IEHP's Nurse Advice Line thinks you would benefit from the program),
- A Discharge Planner Referral (example: If you are being discharged from a hospital and have many complicated needs),
- A Member or Caregiver Referral (example: You can call IEHP to ask for a Complex Care Manager's help),
- A Practitioner Referral (example: Your doctor can make a referral on your behalf).

Members who are enrolled in CCM and Enhanced Care Management (read below) have an Assigned Care Manager at IEHP who can help not only basic care management described above, but also an expanded set of transitional care supports that are available if you are discharged from a hospital, skilled nursing facility, psychiatric hospital, or residential treatment.

To check eligibility and to opt in to the CCM Program, you will need to complete a health survey to assess your needs. This survey will help to determine if you are eligible for the program. If you are eligible for the program and wish to opt in, you will be automatically enrolled. If you are not eligible for the CCM program but want more information on other Care Management Services available, please contact Member Services at 1-800-440-4347. After enrollment into the CCM program, you will be assigned a Primary Case Manager. The Case Manager will contact you at least once every 30 days to discuss your health goals. They will also assist you with a plan to meet those goals. To get started, call IEHP Member Services at 1-800-440-IEHP (4347), Monday–Friday, 7am–7pm, and Saturday– Sunday, 8am–5pm. TTY users should call 1-800-718-4347.

Once enrolled you may opt out of the program at any time. To opt out contact IEHP Member Services at 1-800-440-4347 and let them know you no longer wish to be involved with the program.

These services are optional for members who meet the criteria to receive. If you qualify, these services might help you live more independently. They do not replace benefits you already get under Medi-Cal.

Major organ transplant

Transplants for children under age 21

In Riverside and San Bernardino counties, state law requires children who need transplants to be referred to the California Children's Services (CCS) program to decide if the child qualifies for CCS. If the child qualifies for CCS, CCS will cover the costs for the transplant and related services.

If the child does not qualify for CCS, IEHP will refer the child to a qualified transplant center for evaluation. If the transplant center confirms that the transplant would be needed and safe, IEHP will cover the transplant and related services.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Street medicine programs

Members experiencing homelessness may receive covered services from Street Medicine Providers within IEHP's provider network. A Street Medicine Provider is a licensed primary care physician or primary care non-physician in-network. Members experiencing homelessness may be able to select a IEHP Street Medicine Provider to be their Primary Care Provider (PCP), if the Street Medicine Provider meets PCP eligibility criteria and agrees to be the member's PCP. For more information on IEHP's street medicine program, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Other Medi-Cal programs and services

Other services you can get through Fee-for-Service (FFS) Medi-Cal or other Medi-Cal programs

IEHP does not cover some services, but you can still get them through FFS Medi-Cal or other Medi-Cal programs. IEHP will coordinate with other programs to make sure you get all medically necessary services, including those covered by another program and not IEHP. This section lists some of these services. To learn more, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

Outpatient prescription drugs

Prescription drugs covered by Medi-Cal Rx

Prescription drugs given by a pharmacy are covered by Medi-Cal Rx, which is a Medi-Cal FFS program. IEHP might cover some drugs a provider gives in an office or clinic. If your provider prescribes drugs given in the doctor's office, infusion center, or by a home infusion provider, these are considered physician-administered drugs.

If a non-pharmacy based medical health care professional administers a drug, it is covered under the medical benefit. Your provider can prescribe you drugs on the Medi-Cal Rx Contract Drugs List.

Sometimes, you need a drug not on the Contract Drugs List. These drugs need approval before you can fill the prescription at the pharmacy. Medi-Cal Rx will review and decide these requests within 24 hours.

- A pharmacist at your outpatient pharmacy may give you a 14-day emergency supply if they think you need it. Medi-Cal Rx will pay for the emergency medicine an outpatient pharmacy gives.
- Medi-Cal Rx may say no to a non-emergency request. If they do, they will send you a letter to tell you why. They will tell you what your choices are. To learn more, read "Complaints" in Chapter 6.

To find out if a drug is on the Contract Drugs List or to get a copy of the Contract Drugs List, call Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

Or go to the Medi-Cal Rx website at <https://medi-calrx.dhcs.ca.gov/home/>.

Pharmacies

If you are filling or refilling a prescription, you must get your prescribed drugs from a pharmacy that works with Medi-Cal Rx. You can find a list of pharmacies that work with Medi-Cal Rx in the Medi-Cal Rx Pharmacy Directory at:

<https://medi-calrx.dhcs.ca.gov/home/>

You can also find a pharmacy near you or a pharmacy that can mail your prescription to you by calling Medi-Cal Rx at 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711.

medicines you are taking and any allergies you have. If you have any questions about your prescription, ask the pharmacist.

Members can also get transportation services from IEHP to get to pharmacies. To learn more about transportation services, read “Transportation benefits for situations that are not emergencies” in Chapter 4 of this handbook.

California Children’s Services (CCS)

CCS is a Medi-Cal program that treats children under 21 years of age with certain health conditions, diseases, or chronic health problems and who meet the CCS program rules. If IEHP or your PCP believes your child has a CCS-eligible condition, they will be referred to the CCS county program to check if they qualify.

County CCS program staff will decide if your child qualifies for CCS services. IEHP does not decide CCS eligibility. If your child qualifies to get this type of care, CCS providers will treat him or her for the CCS-eligible condition. IEHP will continue to cover the types of service that do not have to do with the CCS condition such as physicals, vaccines, and well-child checkups.

IEHP does not cover services that the CCS program covers. For CCS to cover these services, CCS must approve the provider, services, and equipment.

CCS does not cover all health conditions. CCS covers most health conditions that physically disable or need treatment with medicines, surgery, or rehabilitation (rehab). Examples of CCS-eligible conditions include but are not limited to:

- Congenital heart disease
- Tumors
- Cancers
- Hemophilia

1915(c) waiver Home and Community-Based Services (HCBS)

California's six Medi-Cal 1915(c) waivers allow the state to provide services to persons who would otherwise need care in a nursing facility or hospital in the community-based setting of their choice. Medi-Cal has an agreement with the Federal Government that allows waiver services to be offered in a private home or in a homelike community setting. The services offered under the waivers must not cost more than the alternative institutional level of care. HCBS Waiver recipients must qualify for full-scope Medi-Cal. The six Medi-Cal 1915(c) waivers are:

- California Assisted Living Waiver (ALW)
- California Self-Determination Program (SDP) Waiver for Individuals with Developmental Disabilities
- HCBS Waiver for Californians with Developmental Disabilities (HCBS-DD)
- Home and Community-Based Alternatives (HCBA) Waiver
- Medi-Cal Waiver Program (MCWP), formerly called the Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome (HIV/AIDS) Waiver

Evaluation of new and existing technologies

IEHP is always looking for ways to take better care of our Members. That is why IEHP has a process to review new technology and new uses of existing technology for medical or behavioral procedures, drugs, and devices for any added benefits.

Our Medical Directors identify new medical or behavioral procedures, treatment, drugs, and devices on a regular basis. They present research data to the IEHP Utilization Management (UM) Subcommittee or IEHP Pharmacy & Therapeutics (P&T) Subcommittee, where Doctors review the technology and suggest whether it can be added as a new benefit. If approved by the Utilization Management (UM) Subcommittee or Pharmacy & Therapeutics (P&T) Subcommittee, the new technology is then presented to the Quality Management & Health Equity Transformation Committee for final approval. Once approved by the Quality Management & Health Equity Transformation Committee, IEHP will add the new technology as a covered benefit for our Members. To learn more about this review of new technology, please call IEHP Member Services at 1-800-440-IEHP (4347).

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

5. Child and youth well care

Child and youth members under 21 years old can get special health services as soon as they are enrolled. This makes sure they get the right preventive, dental, and mental health care, including developmental and specialty services. This chapter explains these services.

Well-child health check-ups and preventive care

Preventive care includes regular health check-ups, screenings to help your doctor find problems early, and counseling services to detect illnesses, diseases, or medical conditions before they cause problems. Regular check-ups help you or your child's doctor look for any problems. Problems can include medical, dental, vision, hearing, mental health, and any substance (alcohol or drug) use disorders. IEHP covers check-ups to screen for problems (including blood lead level assessment) any time there is a need for them, even if it is not during your or your child's regular check-up.

Preventive care also includes shots you or your child need. IEHP must make sure all enrolled children are up to date with all the shots they need when they have their visits with their doctor. Preventive care services and screenings are available at no cost and without pre-approval (prior authorization).

Your child should get check-ups at these ages:

- 2-4 days after birth
- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 months
- 18 months
- 24 months
- 30 months
- Once a year from 3 to 20 years old

- Lab tests, including blood lead poisoning screening
- Health education
- Vision and hearing screening
- Oral health screening
- Behavioral health assessment

If the doctor finds a problem with your or your child's physical or mental health during a check-up or screening, you or your child might need to get medical care. IEHP will cover that care at no cost to you, including:

*Providers should consider sedation and general anesthesia when they determine and document a reason local anesthesia is not medically appropriate, and the dental treatment is pre-approved or does not need pre-approval (prior authorization).

- Physical, behavioral, developmental, or emotional condition that blocks the patient from responding to the provider's attempts to perform treatment
- Major restorative or surgical procedures
- Uncooperative child
- Acute infection at an injection site
- Failure of a local anesthetic to control pain

In addition to your medical benefits covered by IEHP, there are services the school must provide to help your child learn and not fall behind. Services that can be provided to help your child learn include:

- Speech and language services
- Psychological services
- Physical therapy
- Occupational therapy
- Assistive technology
- Social Work services
- Counseling services
- School nurse services
- Transportation to and from school

The California Department of Education provides and pays for these services. Together with your child's doctors and teachers, you can make a custom plan that will best help your child.

6. Reporting and solving problems

There are two ways to report and solve problems:

- Use a **complaint (grievance)** when you have a problem or are unhappy with IEHP or a provider or with the health care or treatment you got from a provider.
- Use an **appeal** when you don't agree with IEHP's decision to change your services or to not cover them.

You have the right to file grievances and appeals with IEHP to tell us about your problem. This does not take away any of your legal rights and remedies. We will not discriminate or retaliate against you for filing a complaint with us or reporting issues. Telling us about your problem will help us improve care for all members.

You may contact IEHP first to let us know about your problem. Call us between 7am–7pm, Monday–Friday and 8am–5pm, Saturday–Sunday at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). Tell us about your problem. This will not take away any of your legal rights. We will also not discriminate or retaliate against you for complaining about us. Letting us know about your problem will help us improve care for all members.

If your grievance or appeal is still not resolved after 30 days, or you are unhappy with the result, you can call the California Department of Managed Health Care (DMHC). Ask them to review your complaint or conduct an Independent Medical Review (IMR). If your matter is urgent, such as those involving a serious threat to your health, you may call DMHC right away without first filing a grievance or appeal with IEHP. You can call DMHC for free at 1-888-466-2219 (TTY 1-877-688-9891 or 711). Or go to: <https://www.dmhc.ca.gov>.

The California Department of Health Care Services (DHCS) Medi-Cal Managed Care Ombudsman can also help. They can help if you have problems joining, changing, or leaving a health plan. They can also help if you moved and are having trouble getting your Medi-Cal transferred to your new county. You can call the Ombudsman Monday through Friday, 8 a.m. to 5 p.m. at 1-888-452-8609. The call is free.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

6 | Reporting and solving problems

You can also file a grievance with your county eligibility office about your Medi-Cal eligibility. If you are not sure who you can file your grievance with, call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

To report incorrect information about your health insurance, call Medi-Cal Monday through Friday, 8 a.m. to 5 p.m. at 1-800-541-5555.

Appeals

An appeal is different from a complaint. An appeal is a request for us to review and change a decision we made about your services. If we sent you a Notice of Action (NOA) letter telling you that we are denying, delaying, changing, or ending a service, and you do not agree with our decision, you can ask us for an appeal. Your authorized representative or provider can also ask us for an appeal for you with your written permission.

You must ask for an appeal within 60 days from the date on the NOA you got from us. If we decided to reduce, suspend, or stop a service you are getting now, you can continue getting that services while you wait for your appeal to be decided. This is called Aid Paid Pending. To get Aid Paid Pending, you must ask us for an appeal within 10 days from

If we do not give you our appeal decision within 30 days, you can request a State Hearing from the California Department of Social Services (CDSS) and an Independent Medical Review (IMR) with DMHC. But if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR with DMHC. In this case, the State Hearing has final say.

Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711). We will decide within 72 hours of receiving your appeal.

What to do if you do not agree with an appeal decision

If you requested an appeal and got a NAR letter telling you we did not change our decision, or you never got a NAR letter and it has been past 30 days, you can:

- Ask for a **State Hearing** from the California Department of Social Services (CDSS), and a judge will review your case. CDSS' toll-free telephone number is 1-800-743-8525(TTY1-800-952-8349). You can also ask for a State Hearing online at <https://www.cdss.ca.gov>.
- File an Independent Medical Review/Complaint form with the Department of Managed Health Care (DMHC) to have IEHP's decision reviewed. Or ask for an **Independent Medical Review (IMR)** from DMHC. If your complaint qualifies for DMHC's Independent Medical Review (IMR) process, an outside doctor who is not part of IEHP will review your case and make a decision that IEHP must follow.
DMHC's toll-free telephone number is 1-888-466-2219 (TTY 1-877-688-9891). You can find the Independent Medical Review/Complaint form and instructions online at the DMHC's website: <https://www.dmhc.ca.gov>.

You will not have to pay for a State Hearing or an IMR.

You are entitled to both a State Hearing and an IMR. But if you ask for a State Hearing first and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

The sections below have more information on how to ask for a State Hearing and an IMR.

Complaints and appeals related to Medi-Cal Rx pharmacy benefits are not handled by IEHP. You can submit complaints and appeals about Medi-Cal Rx pharmacy benefits by calling 1-800-977-2273 (TTY 1-800-977-2273) and press 7 or 711. Complaints and appeals related to pharmacy benefits not subject to Medi-Cal Rx may be eligible for an Independent Medical Review (IMR).

If you do not agree with a decision related to your Medi-Cal Rx pharmacy benefit, you may ask for a State Hearing. You cannot ask DMHC for an IMR for Medi-Cal Rx pharmacy benefit decisions.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

Complaints and Independent Medical Reviews (IMR) with the Department of Managed Health Care (DMHC)

An IMR is when an outside doctor who is not related to your health plan reviews your case. If you want an IMR, you must first file an appeal with IEHP. If you do not hear from your health plan within 30 calendar days, or if you are unhappy with your health plan's decision, then you may request an IMR. You must ask for an IMR within 6 months from the date on the notice telling you of the appeal decision, but you only have 120 days to request a State Hearing so if you want an IMR and a State hearing file your complaint as soon as you can. Remember, if you ask for a State Hearing first, and the hearing has already happened, you cannot ask for an IMR. In this case, the State Hearing has the final say.

You may be able to get an IMR right away without first filing an appeal with IEHP. This is in cases where your health concern is urgent, such as those involving a serious threat to your health.

If your complaint to DMHC does not qualify for an IMR, DMHC will still review your complaint to make sure IEHP made the correct decision when you appealed its denial of services.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov/ has complaint forms, IMR application forms and instructions online.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

State Hearings

A State Hearing is a meeting with IEHP and a judge from the CDSS. The judge will help to resolve your problem or tell you that we made the correct decision. You have the right to ask for a State Hearing if you already asked for an appeal with us and you are still not happy with our decision, or if you did not get a decision on your appeal after 30 days.

You must ask for a State Hearing within 120 days from the date on our NAR letter. If we gave you Aid Paid Pending during your appeal and you want it to continue until there is a decision on your State Hearing, you must ask for a State Hearing within 10 days of our NAR letter or before the date we said your services will stop, whichever is later.

If you need help making sure Aid Paid Pending will continue until there is a final decision on your State Hearing, contact IEHP between between 7am–7pm, Monday–Friday and 8am–5pm, Saturday–Sunday by calling 1-800-440-IEHP (4347). If you cannot hear or speak well, call 1-800-718-4347 or 711. Your authorized representative or provider can ask for a State Hearing for you with your written permission.

Sometimes you can ask for a State Hearing without completing our appeal process.

For example, if we did not notify you correctly or on time about your services, you can request a State Hearing without having to complete our appeal process. This is called Deemed Exhaustion. Here are some examples of Deemed Exhaustion:

- We did not make a NOA or NAR letter available to you in your preferred language
- We made a mistake that affects any of your rights
- We did not give you a NOA letter
- We did not give you a NAR letter
- We made a mistake in our NAR letter
- We did not decide your appeal within 30 days. We decided your case was urgent but did not respond to your appeal within 72 hours

You can ask for a State Hearing in these ways:

- **Online:** Request a hearing online at www.CDSS.CA.GOV
- **Fax:** Fill out the form that came with your appeals resolution notice and Fax it to the State Hearings Division at 1-833-281-0905
- **By phone:** Call the State Hearings Division at 1-800-743-8525 (TTY 1-800-952-8349 or 711)

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

6 | Reporting and solving problems

- **By mail:** Fill out the form provided with your appeals resolution notice and send it to:

California Department of Social Services
State Hearings Division
P.O. Box 944243, MS 09-17-442
Sacramento, CA 94244-2430

If you need help asking for a State Hearing, we can help you. We can give you no-cost language services. Call IEHP Member Services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347 or 711).

At the hearing, you will give your side. We will give our side. It could take up to 90 days for the judge to decide your case. IEHP must follow what the judge decides.

If you want CDSS to make a fast decision because the time it takes to have a State Hearing would put your life, health, or ability to function fully in danger, you, your authorized representative, or your provider can contact CDSS and ask for an expedited (fast) State Hearing. CDSS must make a decision no later than 3 business days after it gets your complete case file from IEHP.

Changes to Notice of Privacy Practices

We have the right to change these Privacy Practices, to comply with changes required by law. We will notify you of any changes.

Notice about laws

Many laws apply to this Member Handbook. These laws may affect your rights and responsibilities even if the laws are not included or explained in this handbook. The main laws that apply to this handbook are state and federal laws about the Medi-Cal program. Other federal and state laws may apply too.

Notice about Medi-Cal as a payer of last resort, other health coverage, and tort recovery

The Medi-Cal program follows state and federal laws and regulations relating to the legal liability of third parties for health care services to members. IEHP will take all reasonable measures to ensure that the Medi-Cal program is the payer of last resort.

Medi-Cal members may have other health coverage (OHC), also referred to as private health insurance. As a condition of Medi-Cal eligibility, you must apply for or retain any available OHC when there is no cost to you.

Federal and state laws require Medi-Cal members to report OHC and any changes to an existing OHC. You may have to repay DHCS for any benefits paid by mistake if you don't report OHC quickly. Submit your OHC online at <http://dhcs.ca.gov/OHC>.

If you do not have access to the internet, you can report OHC to IEHP. Or call 1-800-541-5555 (TTY 1-800-430-7077 or 711) inside California, or 1-916-636-1980 (outside California).

The California Department of Health Care Services (DHCS) has the right and responsibility to collect for covered Medi-Cal services for which Medi-Cal is not the first payer. For example, if you are injured in a car accident or at work, auto or workers' compensation insurance may have to pay first, or reimburse Medi-Cal.

Call IEHP member services at 1-800-440-IEHP (4347) (TTY 1-800-718-4347). IEHP is here Monday-Friday, 7am-7pm, and Saturday-Sunday, 8am-5pm. The call is free. Or call the California Relay Line at 711. Visit online at www.iehp.org.

If you are injured, and another party is liable for your injury, you or your legal representative must notify DHCS within 30 days of filing a legal action or a claim. Submit your notification online:

- Personal Injury Program at <https://dhcs.ca.gov/PI>
- Workers' Compensation Recovery Program at <https://dhcs.ca.gov/WC>

To learn more, visit <https://dhcs.ca.gov/tplrd> or call 1-916-445-9891.

Notice about estate recovery

The Medi-Cal program must seek repayment from probated estates of certain deceased members for Medi-Cal benefits received on or after their 55th birthday. Repayment includes Fee-for-Service (FFS) and managed care premiums or capitation payments for nursing facility services, home and community-based services, and related hospital and prescription drug services received when the member was an inpatient in a nursing facility or was receiving home and community-based services. Repayment cannot exceed the value of a member's probated estate.

To learn more, go to the DHCS estate recovery website at <https://dhcs.ca.gov/er> or call 1-916-650-0590.

Notice of Action

IEHP will send you a Notice of Action (NOA) letter any time IEHP denies, delays, terminates, or modifies a request for health care services. If you disagree with IEHP's decision, you can always file an appeal with IEHP. Go to the Appeals section above for important information on filing your appeal.
