Inland Empire Health Plan

*Celebrate our 10-Year Anniversary!*

IEHP Behavioral Health is proud to celebrate our 10-year anniversary! It was a decade ago that Behavioral Health was integrated into Inland Empire Health Plan. Through these past 10 years, our Provider network has played a vital role in keeping our Members healthy. We would like to take this opportunity to thank you for being our valued partner and invite you to join us in this celebration. The event will include an overview of our current IEHP and State initiatives, an update on the Medicare Opioid Treatment Program Benefit, and important messages from our CEO (past and present).
