Subject: Submitting COB Information Electronically in an 837 file

Inland Empire Health Plan (IEHP) would like to inform you that electronic COB (Secondary Billing), data for Dates of Service **04/01/2018 and greater** can be submitted within your 837 Claim file instead of sending paper claims and EOB's to IEHP's P.O. Box. Electronic COB claims will expedite the processing of secondary claims while improving quality. Please ensure to follow the Consolidated Guides which can be found on <http://www.wpc-edi.com/> when billing COB Claims.

Thank you in advance for your attention to this communication.

IEHP is committed to providing quality service and appreciates your understanding and cooperation with this notification.
