

We will not be able to accommodate walk-ins BY APPOINTMENT ONLY Novel Coronavirus COVID-19 Testing

Riverside County is offering limited time COVID-19 testing for patients referred by physicians to the appointment line.

**Please call 1-800-945-6171 between 7:30 am - 10 pm
in order to schedule an appointment for testing**

In order to qualify for testing, patients must be either symptomatic (fever, cough, sore throat, runny nose or congestion, difficulty breathing) or have had exposure risk (contact with a person with diagnosed COVID-19 or travel to an affected geographic area).

Due to limited testing availability, we cannot accommodate walk-in appointments. Please note that we will only be able to provide testing while supplies last.
