Subject: **Proprietary Eligibility Transition to Standard X12 834**

IMPORTANT

Inland Empire Health Plan (IEHP) transitioned from its Proprietary Eligibility file format to the **Standard X12 834** file format over two years ago. At that time, we communicated that we would support the IEHP Proprietary Eligibility file for six months however IEHP will no longer be able to support the legacy file format.

We would like to start working with you in transitioning your organization to the Standard X12 834 file format. To ensure a smooth process, please provide us with a point of contact to discuss our test plan which will begin on **August 01, 2020**. Please e-mail us at EDI@iehp.org with the contact information needed to coordinate these efforts. IEHP is aiming a Go-Live date of **December 14, 2020**.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at: www.iehp.org > For Providers> Plan Updates> Correspondence.

If you have any questions or if you need to update your business contact information, please email edispecialist@iehp.org.
