

# Maternal Health Summit #5

**September 3, 2020**

**10 am – 3 pm**

*This virtual summit will kick-off action planning efforts for the Maternal Health Network.*

*This full day will focus on the issues of health disparities, specifically for Black/African American families as well as ways in which providers can address implicit bias in their practice.*

*This summit will be followed by four workshops to develop action plans associated with the following Strategic Plan short-term priorities:*

### Short-Term Priority

### Workshop Date/Time

Establish proactive screening and education efforts with pregnant families.

September 10, 2020  
9 -10:30 am

Work with the criminal justice system to develop a protocol for connecting pregnant women to care upon release.

September 24, 2020  
9 -10:30 am

Implement a community education campaign to support healthy pregnancy and delivery.

October 1, 2020  
9 -10:30 am

Develop and/or distribute marketing materials that support healthy pregnancy and delivery tips and resources which can be used throughout the Maternal Health Network.

October 8, 2020  
9 -10:30 am

*This summit is being funded by First 5 San Bernardino and supported by:*

*Center for Oral Health • Inland Empire Health Plan • March of Dimes  
Inland Empire Breastfeeding Coalition • San Bernardino County Public Health  
St. Mary Medical Center • Molina Healthcare • Dignity Health St.  
Bernardine’s Medical Center • Arrowhead Regional Medical Center  
Perinatal Advisory Council (PAC/LAC) • Community Health Association*
