Date: June 26, 2019
Subject: **End Stage Renal Disease (ESRD) Program**

Inland Empire Health Plan (IEHP) is introducing a new End Stage Renal Disease (ESRD) program to assist with managing our Members with CKD (chronic kidney disease) and ESRD. IEHP’s Nephrology Clinical Nurse, Akosua Akyeampong, will assist Members with navigating through the referral process. Akosua will be reaching out and visiting the dialysis centers and nephrology offices.

In addition, we also have a Clinical Transplant Nurse, Annie Karanja, who will assist Members throughout the transplant process from the consultation and workup to the transplant.

If you have any questions regarding this program, please see the contact information below:

Name	Title	Contact
Akosua Akyeampong, BSN	Clinical Nurse Nephrology	akyeampong-a@iehp.org Phone: (909) 727-5325 Fax: (909) 477-8542
Annie Karanja, RN	Clinical Nurse Transplant	karanja-a@iehp.org Phone: (909) 727-5236 Fax: (909) 477-8542

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/plan-updates>.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
