“Phase 2- Making Telehealth Work For Your Practice”

Wednesday, July 22, 2020 | 12:15PM

“A special webinar for providers and their office staff together”

This 45-minute presentation is intended to serve as a guide for physician practices in view of the escalating incidence of the COVID-19 virus in our region.

Goals:

- Optimizing care for those in need
- Preventing emergency room and hospital bottlenecks
- Ensuring the availability of needed non-virus related healthcare
- Safeguarding the health of your providers and office staff
- Accessing PPE
- What to do if an employee tests positive for COVID-19
