

LIBERTY Dental Plan of California, Inc.

Embedded Pediatric Dental - IEHP - Silver 70 AI-AN

Individual Out of Pocket Maximum: \$6,100 per 2025 Calendar Year Family Out of Pocket Maximum: \$12,200 per 2025 Calendar Year

- Members must visit a LIBERTY Dental Plan contracted dental office to utilize covered benefits. Your dental office will determine a treatment plan or will initiate the specialty referral process with LIBERTY Dental Plan if the recommended covered services are medically necessary and outside the scope of a general dentist.
- ✓ This Benefit Schedule represents the Children's Dental HMO benefits covered as part of your Health Plan offered through [Your Health Plan]. Any Co-payment for covered dental services will accrue towards the Health Plan's [Calendar/ Plan] Year Out-of-Pocket Maximum (which is provided above for your reference). To verify your Out-of-Pocket Maximum you can refer to your Health Plan's Evidence of Coverage booklet, visit your health plan's website at www.[yourhealthplan.com] or call Member Services at [1.XXX.XXXX.XXXXX] (toll-free).
- ✓ Once your Out-of-Pocket costs for all Medical and Dental covered services reach the combined Out-of-Pocket Maximum, you cannot be charged for covered dental services you receive for the remainder of the [calendar/plan] year. The LIBERTY Dental Plan contracted dental office will be paid for covered services as contracted directly by LIBERTY. Charges for optional and non-covered services are not included in the calculation for the combined out-of-pocket maximum and would remain your financial responsibility. In a plan with two or more members, the first family Member to meet the individual Out-of-Pocket Maximum cannot be charged for covered services for the remainder of the [calendar/plan] year. The family Out-of-Pocket Maximum is met by combining eligible expenses of two or more covered family Members.
- √ Member Co-payments are payable to the dental office at the time services are rendered.
- ✓ This Benefit Schedule does not guarantee benefits. All services are subject to eligibility, exclusions and limitations and must be determined to be medically necessary at the time you receive the service. Additional requests, beyond the stated frequency limitations shall be considered for prior authorization when documented medical necessity is provided as required by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) benefit.
- ✓ Dental procedures not listed on this Benefit Schedule may be available at the dental office's usual and customary fees.
