A. Welcome to our plan

Our plan provides Medicare and Medi-Cal services to individuals who are eligible for both programs. Our plan includes doctors, hospitals, pharmacies, providers of long-term services and supports, behavioral health providers, and other providers. We also have care coordinators and care teams to help you manage your providers and services. They all work together to provide the care you need.

IEHP DualChoice is brought to you by Inland Empire Health Plan (IEHP). IEHP is a local, not-for-profit health plan serving over one million residents of Riverside and San Bernardino Counties since 1996.

IEHP contracts with a network of more than 1,000 primary care providers (PCPs), over 4,000 specialists, 400 vision providers, 31 hospitals and more than 725 pharmacies so you can get the care you need.

Learn more about your benefits in Chapter 4 (Benefits Chart) of this IEHP DualChoice Member Handbook.

B. Information about Medicare and Medi-Cal

B1. Medicare

Medicare is the federal health insurance program for:

- People 65 years of age or older,
- Some people under age 65 with certain disabilities, and
- People with end-stage renal disease (kidney failure).

B2. Medi-Cal

Medi-Cal is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government. Medi-Cal helps people with limited incomes and resources to pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- What counts as income and resources,
- Who is eligible,
- What services are covered, **and**
- The cost for services.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of California approved our plan. You can get Medicare and Medi-Cal services through our plan as long as:

- We choose to offer the plan, **and**
- Medicare and the State of California allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Medi-Cal services is not affected.

C. Advantages of our plan

You will now get all your covered Medicare and Medi-Cal services from our plan, including prescription drugs. **You do not pay extra to join this health plan.**

We help make your Medicare and Medi-Cal benefits work better together and work better for you. Some of the advantages include:

- You can work with us for **all** of your health care needs.
- You have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

New members to IEHP DualChoice: In most instances you will be enrolled in IEHP DualChoice for your Medicare benefits the 1st day of the month after you request to be enrolled in IEHP DualChoice. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through IEHP DualChoice. There will be no gap in your Medi-Cal coverage. Please call us at 1-877-273-IEHP (4347). TTY users should call 1-800-718-4347, if you have any questions.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

D. Our plan's service area

Our service area includes all zip codes residing in Riverside and San Bernardino counties.

Only people who live in our service area can join our plan.

You cannot stay in our plan if you move outside of our service area. Refer to **Chapter 8** of your *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You are eligible for our plan as long as you:

- Live in our service area (incarcerated individuals are not considered living in the geographic service area even if they are physically located in it.), **and**
- Are age 21 and older at the time of enrollment, **and**
- Have both Medicare Part A and Medicare Part B, **and**
- Are currently eligible for Medi-Cal, **and**
- Are a full-benefit dual eligible beneficiary and enroll in IEHP DualChoice for your Medicare benefits and Inland Empire Health Plan (IEHP) for your Medi-Cal benefits. This is known as “Exclusively Aligned Enrollment”, **and**
- Are a United States citizen or are lawfully present in the United States.

Call Member Services for more information.

Please note: if you lose your eligibility but can reasonably be expected to regain eligibility within 3 month(s), then you are still eligible for membership in our plan (Chapter 4, Section A tells you about coverage and cost sharing during this period, which is called deemed continued eligibility).

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within 90 days before or after your effective enrollment date.

We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA include questions to identify your medical, LTSS, and behavioral health and functional needs.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

If our plan is new for you, you can keep using the doctors you use now for a certain amount of time, if they are not in our network. We call this continuity of care. If they are not in our network, you can keep your current providers and service authorizations at the time you enroll for up to 12 months if all of the following conditions are met:

- You, your representative, or your provider asks us to let you keep using your current provider.
- We establish that you had an existing relationship with a primary or specialty care provider, with some exceptions. When we say “existing relationship,” it means that you saw an out-of-network provider at least once for a non-emergency visit during the 12 months before the date of your initial enrollment in our plan.
 - We determine an existing relationship by reviewing your available health information available or information you give us.
 - We have 30 days to respond to your request. You can ask us to make a faster decision, and we must respond in 15 days.
 - You or your provider must show documentation of an existing relationship and agree to certain terms when you make the request.

Note: You can only make this request for services of Durable Medical Equipment (DME), transportation, or other ancillary services not included in our plan. You **cannot** make this request for providers of DME, transportation or other ancillary providers.

After the continuity of care period ends, you will need to use doctors and other providers in the IEHP DualChoice network that are affiliated with your primary care provider’s medical group, unless we make an agreement with your out-of-network doctor. A network provider is a provider who works with the health plan. Our plan’s PCPs are affiliated with medical groups or Independent Physicians Associations (IPA). When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are affiliated with their medical group. A medical group or IPA is a group of physicians, specialists, and other providers of health services that see IEHP Members. Your PCP, along with the medical group or IPA, provides your medical care. This includes getting authorization to see specialists or medical services such as lab tests, x-rays, and/or hospital admittance. In some cases, IEHP is your medical group or IPA. Refer to **Chapter 3** of your *Member Handbook* for more information on getting care.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, and LTSS needs.

Your care plan includes:

- Your health care goals.
- A timeline for getting the services you need.

Your care team meets with you after your health risk assessment. They talk with you about services you need. They also tell you about services you may want to think about getting. Your care plan is based on your needs. Your care team works with you to update your care plan at least every year.

H. Monthly plan premium

H1. Plan premium

As a member of your plan, you pay a monthly plan premium. For 2023, the monthly premium for IEHP DualChoice is \$0-\$38.90. Since you qualify for “Extra Help”, the premium is paid for on your behalf. If there are changes in your “Extra Help” status, you are responsible for paying your premium. Please see Chapter 6 for more information.

I. Your Member Handbook

Your *Member Handbook* is part of our contract with you. This means that we must follow all rules in this document. If you think we’ve done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of your *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* on our website at the web address at the bottom of the page or download it.

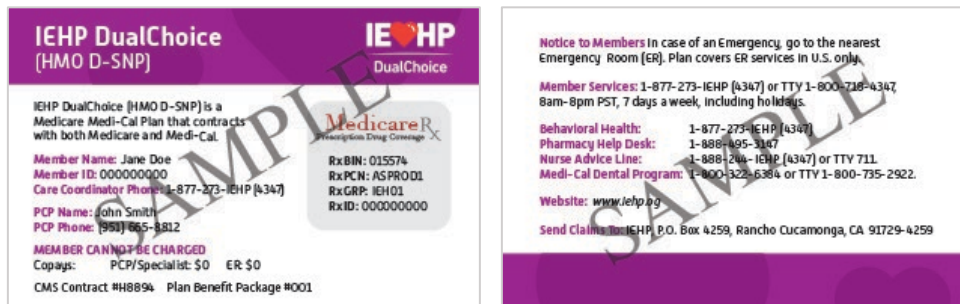

The contract is in effect for the months you are enrolled in our plan between January 1, 2023 and December 31, 2023.

J. Other important information you get from us

Other important information we provide to you includes your Member ID Card, information about how to access a *Provider and Pharmacy Directory*, and information about how to access a *List of Covered Drugs*.

J1. Your Plan ID Card

Under our plan, you have one card for your Medicare and Medi-Cal services covered by our plan, including long-term services and supports, certain behavioral health services, and prescriptions. You show this card when you get any services or Part D prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services right away at the number at the bottom of the page. We will send you a new card.

As long as you are a member of our plan, you do not need to use your red, white, and blue Medicare card. Keep this card in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. Refer to **Chapter 7** of your *Member Handbook* to find out what to do if you get a bill from a provider.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access the following services:

- Dental
- Outpatient prescription drugs not covered by Medicare
- Over-the-counter drugs and certain vitamins covered by Medi-Cal Rx

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you're a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Provider and Pharmacy Directory* at the web address at the bottom of the page.

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), pharmacies, and support providers (such as Community-Based Adult Services [CBAS]) that you may see as an IEHP DualChoice member. We also list the pharmacies that you may use to get your prescription drugs.

Definition of network providers

- Our network providers include:
 - Doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - Clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - LTSS, behavioral health services, home health agencies, durable medical equipment suppliers, and others who provide goods and services that you get through Medicare or Medi-Cal.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

J3. List of Covered Drugs

The plan has a *List of Covered Drugs*. We call it the "Drug List" for short. It tells you which prescription drugs our plan covers.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

The Drug List also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of your *Member Handbook* for more information.

Each year, we send you information about how to access the Drug List, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call Member Services or visit our website (refer to the information at the bottom of the page).

J4. The *Explanation of Benefits*

When you use your Part D prescription drug benefits, we send you a summary to help you understand and keep track of payments for your Part D prescription drugs. This summary is called the *Explanation of Benefits* (EOB).

The EOB tells you the total amount you, or others on your behalf, spent on your Part D prescription drugs and the total amount we paid for each of your Part D prescription drugs during the month. The EOB has more information about the drugs you take. **Chapter 6** of your *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your membership record up to date

You can keep your membership record up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. Our network providers and pharmacies also need correct information about you. **They use your membership record to know what services and drugs you get and how much they cost you.**

Tell us right away about the following:

- Changes to your name, your address, or your phone number.
- Changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation.
- Any liability claims, such as claims from an automobile accident.
- Admission to a nursing home or hospital.

- Changes in your caregiver (or anyone responsible for you)

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- You take part in a clinical research study. (**Note:** You are not required to tell us about a clinical research study you are in or become part of, but we encourage you to do so.)

If any information changes, call Member Services.

A. Information about services and providers

Services are health care (such as doctor visits and medical treatment), long-term services and supports (LTSS), supplies, behavioral health services (including mental health and wellness), prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and long-term services and supports (LTSS) are in **Chapter 4** of your Member Handbook. Covered prescription and over-the-counter drugs are in **Chapter 5** of your Member Handbook.

Providers are doctors, nurses, and other people who give you services and care. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain long-term services and supports (LTSS).

Network providers are providers who work with our plan. These providers agree to accept our payment as full payment. Network providers bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.

B. Rules for getting services our plan covers

Our plan covers Medicare services and covers or coordinates all Medi-Cal services. This includes behavioral health and long-term services and supports (LTSS).

Our plan will coordinate health care services, behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be a **plan benefit**. This means we include it in our Benefits Chart in **Chapter 4** of your *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean important services that are reasonable and protect life. Medically necessary care is needed to keep individuals from getting seriously ill or becoming disabled and reduces severe pain by treating disease, illness, or injury.
- For medical services, you must have a network **primary care provider (PCP)** who orders the care or tells you to use another provider. As a plan member, you must choose a network provider to be your PCP.
 - In most cases, your network PCP **or** our plan must give you approval before you can use a provider that is not your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP refers you to specialists and services that are also affiliated with their medical group. A medical group or IPA is a group of physicians, specialist, and other providers of health services that see IEHP Members. Your PCP, along with the medical group or IPA, provides your medical care. This includes getting authorization to see specialists or medical services such as lab tests, x-rays, and/or hospital admittance. In some cases, your PCP will be directly contracted with IEHP.
- You do not need a referral from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (for more information about this, refer to section D1 in this chapter).
- **You must get your care from network providers that are affiliated with your PCP's medical group.** Usually, we won't cover care from a provider who doesn't work with our health plan and your PCP's medical group. This means that you will have to pay the provider in full for the services furnished from providers outside of the network. Here are some cases when this rule does not apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more information about this, refer to section H in the chapter).
 - If you need care that our plan covers and our network providers can't give it to you, you can get care from an out-of-network provider. Prior authorization must be obtained from IEHP prior to receiving care. In this situation, we cover the care as if you got it from a network provider **or** at no cost to you.
 - We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. You can get these services at a Medicare-certified dialysis facility.
 - When you first join our plan, you can ask to continue using your current providers. With some exceptions, we must approve this request if we can establish that you had an existing relationship with the providers. Refer to **Chapter 1** of your *Member Handbook*. If we approve your request, you can continue using the providers you use now for up to 12 months for services. During that time, your care coordinator will contact you to help you find providers in our network that are affiliated with your PCP's medical group. After 12 months, we no longer cover your care if you continue to use providers that are not in our network and not affiliated with your PCP's medical group. For help with transitioning your Medicare or Medi-Cal covered services as a new member of our plan, you can call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

New members to IEHP DualChoice: In most instances you will be enrolled in IEHP DualChoice for your Medicare benefits the 1st day of the month after you request to be enrolled in IEHP DualChoice. You may still receive your Medi-Cal services from your previous Medi-Cal health plan for one additional month. After that, you will receive your Medi-Cal services through IEHP DualChoice. There will be no gap in your Medi-Cal coverage. Please call us at 1-877-273-IEHP (4347) (TTY: 1-800-718-4347) if you have any questions.

- hospital admissions, and
- follow-up care.

What types of providers may act as a PCP?

As an IEHP DualChoice Member, you can choose any PCP in your Provider and Pharmacy Directory. Each enrolled family member may choose their own PCP. Your PCP may be one of the following types of providers:

- Family and General Practice Doctors usually can see the whole family
- Internal Medicine Doctors usually see only adults and children 14 years or older
- Obstetricians and Gynecologists (OB/GYNs) specialize in women's health and maternity care.

To check age restrictions for a specific PCP, or if you have any questions about your PCP's medical school education, residency, or board certification status, call IEHP DualChoice Member Services.

What services does the PCP furnish and what services can you get on your own?

You will usually see your PCP first for most of your routine health care needs such as physical check-ups, immunization, etc. When your PCP thinks that you need specialized treatment or supplies, your PCP will need to get prior authorization (i.e., prior approval) from IEHP DualChoice and/or medical group. This is called a referral. It is very important to get a referral from your PCP before you see a plan specialist or certain other providers. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.

Your choice of PCP

You can choose your PCP by using the Provider and Pharmacy Directory or calling IEHP DualChoice Member Services. If there is a particular specialist or hospital that you want to use, check first to be sure your PCP makes referrals to that specialist, or uses that hospital. The name and office telephone number of your PCP is printed on your membership card.

- 1) Questions you may want to ask when you call IEHP DualChoice to choose or change your PCP include:
 - What type of PCP is best for you?

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Does the PCP have an age limit for patients?
 - How close is the PCP to your home?
 - Is the PCP's office open evenings and/or weekends?
 - To which hospital can the PCP admit you to?
 - What languages do the PCP and office staff speak?
- 2) Also, if you have specific concerns, you may want to ask about them before you choose a PCP. Call the PCP's office to find out such things as:
- If the PCP will see more than one family member at a time for an appointment.
 - If the PCP takes walk-ins and/or same day appointments.
 - If the PCP will charge to complete forms, and if so, how much?
 - To which lab does the PCP send patients for lab work?
 - If you will be able to see your assigned PCP, or if you will see other providers in the office.
 - If you or a family member has a disability, is the PCP's office accessible?
- 3) PCPs are usually linked to certain hospitals. When you choose your PCP, remember the following:
- You must choose your PCP from your Provider and Pharmacy Directory. Call IEHP DualChoice Member Services if you need help in choosing a PCP or changing your PCP.
 - Choose a PCP that is within 10 miles or 15 minutes of your home.
 - The PCP you choose can only admit you to certain hospitals. Try to choose a PCP that can admit you to the hospital you want within 30 miles or 45 minutes of your home.
 - Some hospitals have "hospitalists" who specialize in care for people during their hospital stay. If you are admitted to one of these hospitals, a "hospitalist" may serve as your caregiver as long as you remain in the hospital. When you are discharged from the hospital, you will return to your PCP for your health care needs.
 - If you need to change your PCP for any reason, your hospital and specialist may also change. Your PCP should speak your language. However, your PCP can always use Language Line Services to get help from an interpreter, if needed.

If you do not choose a PCP when you join IEHP DualChoice, we will choose one for you. We will send you a letter with your PCP's information. Remember, you can request to change your PCP at any time.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Option to change your PCP

You may change your PCP for any reason, at any time. Also, it's possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

IEHP DualChoice Member Services can assist you in finding and selecting another provider. You can change your PCP by calling IEHP DualChoice Member Services. Remember that your PCP is linked to a hospital, specialist, and other health care Providers. When you change your PCP, you may also be changing the other Providers you can see. You should ask your new PCP if a new referral is needed.

The date you ask to change your PCP affects when you can start seeing the new PCP. If your change request is received by IEHP DualChoice on or before the 25th of the month, the change will be effective the first day of the following month. If your change request is received by IEHP DualChoice after the 25th of the month, the change will be effective the first day of the subsequent month. Call IEHP DualChoice Member Services to find out when you can see your new PCP at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users may call 1-800-718-IEHP (4347). You can make a request to change your PCP once a month.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers.
- Urgently needed care from network providers. For more information, see "Urgent Care" in Chapter 4 (*Benefits Chart*).
- Urgently needed care from out-of-network providers when you can't get to a network provider (for example, if you're outside our plan's service area or during the weekend). For more information, see "Urgent Care" in Chapter 4 (*Benefits Chart*).

Note: Urgently needed care must be immediately needed and medically necessary.

- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. Call Member Services before you leave the service area. We can help you get dialysis while you're away.
- Flu shots and COVID-19 vaccinations as well as hepatitis B vaccinations and pneumonia vaccinations as long as you get them from a network provider.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Routine women's health care and family planning services. This includes breast exams, screening mammograms (x-rays of the breast), Pap tests, and pelvic exams *as long as you get them from a network provider*.
- Family planning services (see Chapter 4 [*Benefits Chart*]) as long as you get them from a network provider.
- Preventative services
- Sexually transmitted infection (STI) diagnosis and treatment
- Sensitive and confidential services
- HIV testing and counseling at the Local Health Department
- Biomarker testing for advanced or metastatic stage 3 or 4 cancers
- Additionally, if eligible to get services from Indian health providers, you may use these providers without a referral.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.
- You will usually see your Primary Care Provider (PCP) first for most of your routine healthcare needs such as physical checkups, immunizations, etc.
- When your PCP thinks that you need specialized treatment or supplies, your PCP will need to get a prior authorization from IEHP DualChoice and/or medical group. Prior authorization means that you must get approval from IEHP DualChoice and/or medical group before getting a specific service or drug. This is called a referral.
- Your PCP will send a referral to IEHP DualChoice or medical group. It is very important to get a referral from your PCP before you see a specialist or certain other providers. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself.
- PCPs are usually linked to certain hospitals and specialists. When you choose a PCP, it also determines what hospitals and specialists the PCP refers.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have certain rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We make a good faith effort to give you at least 30 days' notice so that you have time to select a new provider.
- We help you select a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to ask, and we work with you to ensure, that the medically necessary treatment you are getting is not interrupted.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care.
- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the QIO, a quality of care grievance, or both. (Refer to Chapter 9 for more information.)

If you find out one of your providers is leaving our plan, contact us. We can assist you in finding a new provider and managing your care. For more help, you can contact IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

D4. Out-of-network providers

If a Member requires medical services that are not available in the service area, care must be directed and approved by IEHP or the IPA. The Primary Care Provider (PCP) and/or Specialist must submit a request for services with all supporting documentation (progress notes, lab/test results, etc.) to IEHP or the IPA. The IEHP staff will work with the Contracts Department to secure a Letter of Agreement.

E. Behavioral health (mental health and substance use disorder) services

You have access to medically necessary behavioral health services that Medicare and Medi-Cal cover. We provide access to behavioral health services covered by Medicare. F. Transportation services

F1. Medical transportation of non-emergency situations

You are entitled to non-emergency medical transportation if you have medical needs that don't allow you to use a car, bus, or taxi to your appointments. Non-emergency medical transportation can be provided for covered services such as medical, dental, mental health, substance use, and pharmacy appointments. If you need non-emergency medical transportation, you can talk to your PCP or treating provider and ask for it. Your PCP will decide the best type of transportation to meet your needs. If you need non-emergency medical transportation, they will prescribe it by completing a form and submitting it to IEHP DualChoice for approval. Depending on your medical need, the approval is good for one year. Your PCP or treating provider will reassess your need for non-emergency medical transportation for re-approval every 12 months.

Non-emergency medical transportation is an ambulance, litter van, wheelchair van, or air transport. IEHP DualChoice allows the lowest cost covered transportation mode and most appropriate non-emergency medical transportation for your medical needs when you need a ride to your appointment. For example, if you can physically or medically be transported by a wheelchair van, IEHP DualChoice will not pay for an ambulance. You are only entitled to air transport if your medical condition makes any form of ground transportation impossible.

Non-emergency medical transportation must be used when:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- You physically or medically need it as determined by written authorization from your PCP or treating provider because you are not able to use a bus, taxi, car, or van to get to your appointment.
- You need help from the driver to and from your residence, vehicle, or place of treatment due to a physical or mental disability.

To ask for medical transportation that your doctor has prescribed for non-urgent **routine appointments**, Call the Car at 1-866-880-3654, 24 hours a day, 7 days a week. For TTY users, call your relay service or California Relay Service at 711 at least 5 business days (Monday-Friday) before your appointment. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

Medical transportation limits

IEHP DualChoice covers the lowest cost medical transportation that meets your medical needs from your home to the closest provider where an appointment is available. Medical transportation will not be provided if Medicare or Medi-Cal does not cover the service. If the appointment type is covered by Medi-Cal but not through the health plan, IEHP DualChoice will help you schedule your transportation. A list of covered services is in Chapter 4 of this handbook. Transportation is not covered outside IEHP DualChoice's network or service area unless pre-authorized.

F2. Non-medical transportation

Non-medical transportation benefits include traveling to and from your appointments for a service authorized by your provider. You can get a ride, at no cost to you, when you are:

- Traveling to and from an appointment for a -service authorized by your provider, or
- Picking up prescriptions and medical supplies.

IEHP DualChoice allows you to use a car, taxi, bus, or other public/private way of getting to your non-medical appointment for services authorized by your provider. IEHP DualChoice uses Call the Car to arrange for non-medical transportation. We cover the lowest cost, non-medical transportation type that meets your needs.

Sometimes, you can be reimbursed for rides in a private vehicle that you arrange. IEHP DualChoice must approve this **before** you get the ride, and you must tell us why you can't get a ride in another way, like taking the bus. You can tell us by calling or emailing, or in person. **You cannot be reimbursed for driving yourself.**

Mileage reimbursement requires all of the following:

- The driver's license of the driver

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- The vehicle registration of the driver
- Proof of car insurance for the driver

To ask for a ride for services that have been authorized, Call the Car at 1-866-880-3654, 24 hours a day, 7 days a week. For TTY users, call your relay service or California Relay Service at 711 at least 5 business days (Monday-Friday) before your appointment. For **urgent appointments**, call as soon as possible. Have your Member ID Card ready when you call. You can also call if you need more information.

Note: American Indians may contact their local Indian Health Clinic to ask for non-medical transportation.

Non-medical transportation limits

IEHP DualChoice provides the lowest cost non-medical transportation that meets your needs from your home to the closest provider where an appointment is available. **You cannot drive yourself or be reimbursed directly.**

Non-medical transportation does **not** apply if:

- An ambulance, litter van, wheelchair van, or other form of non-emergency medical transportation is needed to get to a service.
- You need assistance from the driver to and from the residence, vehicle, or place of treatment due to a physical or medical condition.
- You are in a wheelchair and are unable to move in and out of the vehicle without help from the driver.
- The service is not covered by Medicare or Medi-Cal.

G. Covered services in a medical emergency, when urgently needed, or during a disaster

G1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as severe pain or serious injury. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- Serious risk to your health or to that of your unborn child; **or**
- Serious harm to bodily functions; **or**
- Serious dysfunction of any bodily organ or part; **or**

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- In the case of a pregnant woman in active labor, when:
 - there is not enough time to safely transfer you to another hospital before delivery.
 - a transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a **medical** emergency:

- **Get help as fast as possible.** Call 911 or use to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need approval or a referral from your PCP. You do not need to use a network provider. You may get emergency medical care whenever you need it, anywhere in the U.S. or its territories, from any provider with an appropriate state license.
- **As soon as possible, tell our plan about your emergency.** We will follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay in telling us. Call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

Covered services in a medical emergency

If you need an ambulance to get to the emergency room, our plan covers that. To learn more, refer to the Benefits Chart in **Chapter 4** of your *Member Handbook*.

The providers who give you emergency care decide when your condition is stable and the medical emergency is over. They will continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we will try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

After the doctor says it wasn't an emergency, we cover your additional care only if:

- You use a network provider **or**
- The additional care you get is considered "urgently needed care" and you follow the rules (refer to Section H2) for getting it.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

G2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or a severe sore throat that occurs over the weekend and need treatment.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it is not possible or reasonable to get to a network provider, we will cover urgently needed care you get from an out-of-network provider.

If you don't know if the injury or illness is urgent, call your Primary Care Provider (PCP). You should always go to your PCP for care. If you can't reach your PCP after hours, call the 24-hour Nurse Advice Line at 1-888-244-IEHP (4347) or TTY Line at 1-866-577-8355 to get help when you need it. If needed, our Nurse can connect you to speak with a Doctor by phone or video chat. If our nurse thinks you need more help, they will point you to an open Urgent Care Clinic nearby. Urgent Care clinics are open after hours and weekends, and some provide lab work and x-rays.

Urgently needed care outside our plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider.

Our plan does not cover urgently needed care or any other care that you get outside the United States.

G3. Care during a disaster

If the Governor of your state, the U.S. Secretary of Health and Human Services, or the President of the United States declares a state of disaster or emergency in your geographic area, you are still entitled to care from our plan.

Visit our website for information on how to get care you need during a declared disaster: www.iehp.org.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your prescription drugs at an out-of-network pharmacy. Refer to **Chapter 5** of your *Member Handbook* for more information.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

H. What to do if you are billed directly for services our plan covers

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay our share of the bill.

You should not pay the bill yourself. If you do, we may not be able to pay you back.

If you paid for your covered services **or** If you paid more than your plan cost-sharing for covered services or if you got a bill for the full cost of covered medical services, refer to **Chapter 7** of your Member Handbook to find out what to do.

H1. What to do if our plan does not cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4** of your *Member Handbook*) **and**
- that you get by following plan rules.

If you get services that our plan does not cover, **you pay the full cost yourself.**

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we will not pay for your services, you have the right to appeal our decision.

Chapter 9 of your Member Handbook explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you use over the limit, you pay the full cost to get more of that type of service. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

I. Coverage of health care services in a clinical research study

I1. Definition of a clinical research study

A clinical research study (also called a clinical trial) is a way doctors test new types of health care or drugs. A clinical research study approved by Medicare typically asks for volunteers to be in the study.

Once Medicare approves a study you want to be in, someone who works on the study contacts you. That person tells you about the study and finds out if you qualify to be in it. You can be in

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

the study as long as you meet the required conditions. You must understand and accept what you must do in the study.

While you're in the study, you may stay enrolled in our plan. That way, our plan continues to cover you for services and care not related to the study.

If you want to take part in a Medicare-approved clinical research study, you do **not** need to get approval from us or your primary care provider. Providers that give you care as part of the study do **not** need to be network providers.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, you or your care coordinator should contact Member Services to let us know you will take part in a clinical trial.

I2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- Room and board for a hospital stay that Medicare would pay for even if you weren't in a study.
- An operation or other medical procedure that is part of the research study.
- Treatment of any side effects and complications of the new care.

If you're part of a study that Medicare has **not** approved, you pay any costs for being in the study.

I3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/Pubs/pdf/02226-Medicare-and-Clinical-Research-Studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

J. How your health care services are covered in a religious non-medical health care institution

J1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

is against your religious beliefs, we cover care in a religious non-medical health care institution. This benefit is only for Medicare Part A inpatient services (non-medical health care services).

J2. Care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is “non-excepted.”

- “Non-excepted” medical treatment is any care that is **voluntary and not required** by any federal, state, or local law.
- “Excepted” medical treatment is any care that is **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan's coverage of services is limited to non-religious aspects of care.
- If you get services from this institution that are provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you are admitted to the facility, or your stay will **not** be covered.

Our plan covers an unlimited number of days for an inpatient hospital stay when medically necessary. (See the Benefits Chart in Chapter 4).

K. Durable medical equipment (DME)

K1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own certain items, such as prosthetics.

In this section, we discuss DME you rent. In Original Medicare, people who rent certain types of DME own the equipment after paying copayments for the item for 13 months. As a member of our plan, you will **not** own DME, no matter how long you rent it.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

In certain limited situations, we transfer ownership of the DME item to you. Call IEHP DualChoice Member Services to find out about requirements you must meet and papers you need to provide.

Even if you had DME for up to 12 months in a row under Medicare before you joined our plan, you will **not** own the equipment.

K2. DME ownership if you switch to Original Medicare

If you didn't get ownership of the DME item while in our plan, you must make 13 new consecutive payments after you switch to Original Medicare to own the item. Payments you made while in our plan do **not** count toward these 13 consecutive payments.

If you made fewer than 13 payments for the DME item under Original Medicare **before** you joined our plan, your previous payments don't count toward the 13 consecutive payments. You must make 13 new consecutive payments after you return to Original Medicare to own the item. There are no exceptions to this case when you return to Original Medicare.

K3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare and you're a member of our plan, we cover:

- Rental of oxygen equipment
- Delivery of oxygen and oxygen contents
- Tubing and related accessories for the delivery of oxygen and oxygen contents
- Maintenance and repairs of oxygen equipment

Oxygen equipment must be returned to the owner when it's no longer medically necessary for you or if you leave our plan.

K4. Oxygen equipment when you switch to Original Medicare

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- Oxygen equipment, supplies, and services for another 24 months.
- Oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

A. Your covered services

This chapter tells you about services our plan covers . You can also learn about services that are not covered. Information about drug benefits is in **Chapter 5**. This chapter also explains limits on some services.

Because you get assistance from Medi-Cal, you pay nothing for your covered services as long as you follow our plan's rules. Refer to **Chapter 3** of your Member Handbook for details about the plan's rules.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

A1. During public health emergencies

IEHP DualChoice ensures that you can access medically necessary health care services, equipment, and covered drugs in case of a Federal, State or public health emergency.

IEHP DualChoice will inform you of the nature of emergency and changes that we will put in place during the state of emergency to ensure you continue to receive medically necessary services. These include but are not limited to: not requiring prior authorization for some drugs and services; allowing you to see a doctor outside of the IEHP DualChoice network if your Provider who is in the IEHP DualChoice network is unavailable due to the emergency; and stopping limitations to prescription refills and allowing you to refill your prescriptions at a pharmacy outside of the IEHP DualChoice network.

If you need more information, call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

B. Rules against providers charging you for services

We don't allow our in-network or out-of-network providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of your *Member Handbook* or call Member Services.

C. About our plan's Benefits Chart

The Benefits Chart tells you the services our plan pays for. It lists covered services in alphabetical order and explains them.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

We pay for the services listed in the Benefits Chart when the following rules are met. You do **not** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We must provide your Medicare and Medi-Cal covered services according to the rules set by Medicare and Medi-Cal.
- The services (including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs) must be “medically necessary.” Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, we do **not** pay for care you get from an out-of-network provider. **Chapter 3** of your Member Handbook has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team that is providing and managing your care. In most cases, your PCP must give you approval before you can use a provider that is not your PCP or use other providers in the plan’s network. This is called a referral. **Chapter 3** of your Member Handbook has more information about getting a referral and when you do **not** need one.
- You must get care from providers that are affiliated with your PCP’s medical group. Refer to **Chapter 3** of your Member Handbook for more information.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets our approval first. This is called prior authorization. We mark covered services in the Benefits Chart that need prior authorization with an asterisk (*).
- If you are within our plan’s 3 month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period.
- **Important Benefit Information for Members with Certain Chronic Conditions.** If you have the following chronic condition(s) and meet certain medical criteria, you may be eligible for additional benefits:

E. Benefits covered outside of our plan

We don't cover the following services, but they are available through Original Medicare or Medi-Cal fee-for service.

E1. California Community Transitions (CCT)

The California Community Transitions (CCT) program uses local Lead Organizations to help eligible Medi-Cal beneficiaries, who have lived in an inpatient facility for at least 90 consecutive days, transition back to, and remaining safely in, a community setting. The CCT program funds transition coordination services during the pre-transition period and for 365 days post transition to assist beneficiaries with moving back to a community setting.

You can get transition coordination services from any CCT Lead Organization that serves the county you live in. You can find a list of CCT Lead Organizations and the counties they serve on the Department of Health Care Services website at: www.dhcs.ca.gov/services/ltc/Pages/CCT.

For CCT transition coordination services

Medi-Cal pays for the transition coordination services. You pay nothing for these services.

For services not related to your CCT transition

The provider bills us for your services. Our plan pays for the services provided after your transition. You pay nothing for these services.

While you get CCT transition coordination services, we pay for services listed in the Benefits Chart in **Section D**.

No change in drug coverage benefit

The CCT program does **not** cover drugs. You continue to get your normal drug benefit through our plan. For more information, refer to **Chapter 5** of your Member Handbook.

Note: If you need non-CCT transition care, call your care coordinator to arrange the services. Non-CCT transition care is care **not** related to your transition from an institution or facility.

E2. Medi-Cal Dental Program

Certain dental services are available through the Medi-Cal Dental Program; includes but is not limited to, services such as:

- Initial examinations, X-rays, cleanings, and fluoride treatments
- Restorations and crowns
- Root canal therapy
- Dentures, adjustments, repairs, and relines

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Dental benefits are available in the Medi-Cal Dental Program as fee-for-service. For more information, or if you need help finding a dentist who accepts the Medi-Cal Dental Program, contact the Customer Service Line at 1-800-322-6384 (TTY users call 1-800-735-2922). The call is free. Medi-Cal Dental Services Program representatives are available to assist you from 8:00 a.m. to 5:00 p.m., Monday through Friday. You can also visit the website at dental.dhcs.ca.gov/ for more information.

In addition to the fee-for-service Medi-Cal Dental Program, you may get dental benefits through a dental managed care plan. Dental managed care plans are available in Los Angeles County. If you want more information about dental plans, need assistance identifying your dental plan, or want to change dental plans, contact Health Care Options at 1-800-430-4263 (TTY users call 1-800-430-7077), Monday through Friday, 8:00 a.m. to 6:00 p.m. The call is free.

E3. Hospice care

You have the right to elect hospice if your provider and hospice medical director determine you have a terminal prognosis. This means you have a terminal illness and are expected to have six months or less to live. You can get care from any hospice program certified by Medicare. The plan must help you find Medicare-certified hospice programs. Your hospice doctor can be a network provider or an out-of-network provider.

Refer to the Benefits Chart in **Section D** for more information about what we pay for while you are getting hospice care services.

For hospice services and services covered by Medicare Part A or B that relate to your terminal prognosis

- The hospice provider bills Medicare for your services. Medicare pays for hospice services related to your terminal prognosis. You pay nothing for these services.

For services covered by Medicare Part A or B that are not related to your terminal prognosis (except for emergency care or urgently needed care)

- The provider will bill Medicare for your services. Medicare will pay for the services covered by Medicare Part A or B. You pay nothing for these services.

For drugs that may be covered by our plan's Medicare Part D benefit

- Drugs are never covered by both hospice and our plan at the same time. For more information, refer to **Chapter 5** of your Member Handbook.

Note: If you need non-hospice care, call your care coordinator to arrange the services. Non-hospice care is care not related to your terminal prognosis.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

F. Benefits not covered by our plan, Medicare, or Medi-Cal

This section tells you about benefits excluded by our plan. “Excluded” means that we do not pay for these benefits. Medicare and Medi-Cal do not pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We do not pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under specific conditions listed. Even if you receive the services at an emergency facility, the plan will not pay for the services. If you think that our plan should pay for a service that is not covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of your Member Handbook.

In addition to any exclusions or limitations described in the Benefits Chart, our plan does not cover the following items and services:

- Services considered not “reasonable and medically necessary,” according to Medicare and Medi-Cal standards, unless we list these as covered services.
- Experimental medical and surgical treatments, items, and drugs, unless Medicare, a Medicare-approved clinical research study, or our plan covers them. Refer to **Chapter 3** of your *Member Handbook* for more information on clinical research studies. Experimental treatment and items are those that are not generally accepted by the medical community.
- Surgical treatment for morbid obesity, except when medically necessary and Medicare pays for it.
- A private room in a hospital, except when medically necessary.
- Private duty nurses.
- Personal items in your room at a hospital or a nursing facility, such as a telephone or television.
- Full-time nursing care in your home.
- Fees charged by your immediate relatives or members of your household.
- Meals delivered to your home.
- Elective or voluntary enhancement procedures or services (including weight loss, hair growth, sexual performance, athletic performance, cosmetic purposes, anti-aging and mental performance), except when medically necessary.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Cosmetic surgery or other cosmetic work, unless it is needed because of an accidental injury or to improve a part of the body that is not shaped right. However, we pay for reconstruction of a breast after a mastectomy and for treating the other breast to match it.
- Chiropractic care, other than manual manipulation of the spine consistent with coverage guidelines.
- Routine foot care, except as described in Podiatry services in the Benefits Chart in Section D.
- Orthopedic shoes, unless the shoes are part of a leg brace and are included in the cost of the brace, or the shoes are for a person with diabetic foot disease.
- Supportive devices for the feet, except for orthopedic or therapeutic shoes for people with diabetic foot disease.
- Reversal of sterilization procedures and non-prescription contraceptive supplies.
- Naturopath services (the use of natural or alternative treatments).
- Services provided to veterans in Veterans Affairs (VA) facilities. However, when a veteran gets emergency services at a VA hospital and the VA cost sharing is more than the cost sharing under our plan, we will reimburse the veteran for the difference. You are still responsible for your cost-sharing amounts.
- Personal items: Personal comfort items or items and services for convenience, such as television, health club memberships and/or similar items.
- Erectile dysfunction medical equipment

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Chapter 5: Getting your outpatient prescription drugs

Introduction

This chapter explains rules for getting your outpatient prescription drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Medi-Cal. **Chapter 6** of your *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

We also cover the following drugs, although they are not discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you are in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you are given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of your *Member Handbook*.

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

- You must have a doctor or other provider write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another provider if your primary care provider has referred you for care.
- Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists or any similar Medicaid lists, State Medicaid Exclusion List and State Sanctioned or any similar State Medicaid lists.
- You generally must use a network pharmacy to fill your prescription.
- Your prescribed drug must be on our plan's *List of Covered Drugs*. We call it the "Drug List" for short.
 - If it is not on the Drug List, we may be able to cover it by giving you an exception.
 - Refer to Chapter 9 (*What to do if you have a problem or complaint [coverage decisions, appeals, complaints]*) to learn about asking for an exception.
 - Please also note that the request to cover your prescribed drug will be evaluated under both Medicare and Medi-Cal standards.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Your drug must be used for a medically accepted indication. This means that use of the drug is either approved by the Food and Drug Administration or supported by certain medical references. Your doctor may be able to help you identify medical references to support the requested use of the prescribed drug.

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, we pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that agrees to fill prescriptions for our plan members. You may use any of our network pharmacies.

To find a network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website or contact Member Services or your care coordinator.

A2. Using your plan ID card when you fill a prescription

To fill your prescription, **show your plan ID card** at your network pharmacy. The network pharmacy bills us for our share of the cost of your covered prescription drug. You may need to pay the pharmacy a copay when you pick up your prescription.

Remember, you need your Medi-Cal card or Benefits Identification Card (BIC) to access Medi-Cal Rx covered drugs.

If you don't have your plan ID card or BIC with you when you fill your prescription, ask the pharmacy to call us to get the necessary information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, state and federal law permit the pharmacy to issue no less than a 72-hour supply of your needed prescription in an emergency. Contact Member Services right away.** We will do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of your Member Handbook.
- If you need help getting a prescription filled, contact Member Services or your care coordinator.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you *can* either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

To find a new network pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.
- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing home.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy is not in our network or you have difficulty accessing your drug benefits in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs that are restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.)

To find a specialized pharmacy, look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition.

Our plan's mail-order service allows you to order up to a 90-day supply. A 90-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, call 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. This information is also available on the IEHP website at www.iehp.org.

Usually, a mail-order prescription arrives within 3-5 days. However, sometimes your mail-order may be delayed. If the delivery is delayed, you may contact your Primary Care Provider for an

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

emergency prescription and bring it to any network pharmacy nearby. The pharmacy staff may contact MedImpact (a company that IEHP DualChoice works with) at 1-888-495-3147 to obtain emergency override due to delay in the mail order process.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions.

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a health care provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if needed, allows you to stop or delay the order before it is shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

3. Refills on mail-order prescriptions

For refills, contact your pharmacy 21 days before your current prescription will run out to make sure your next order is shipped to you in time.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. To provide your communication preferences, contact IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's Drug List. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 90-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can give you a long-term supply of maintenance drugs. You can also call Member Services for more information.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

For certain kinds of drugs, you can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** (*Using mail-order services to get your drugs*) to learn about mail-order services.

A8. Using a pharmacy not in our plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get your prescriptions filled as a member of our plan.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

Illness while traveling out of the plan's service area where there is no network pharmacy. You may have to pay more than your normal cost-sharing amount if you get your drugs at an out-of-network pharmacy.

If the covered Part D drug is related to care for a medical emergency.

During any Federal disaster or other public health emergency in which you are evacuated or otherwise displaced from your place of residence.

In emergency situations when you are not able to use a network pharmacy, we will pay for a 31-day supply of your drugs

In these cases, check with Member Services first to find out if there's a network pharmacy nearby.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back for our share of the cost.

If you pay the full cost for your prescription that may be covered by Medi-Cal Rx, you may be able to be reimbursed by the pharmacy once Medi-Cal Rx pays for the prescription. Alternatively, you may ask Medi-Cal Rx to pay you back by submitting the "Medi-Cal Out-of-Pocket Expense Reimbursement (Conlan)" claim. More information can be found on the Medi-Cal Rx website: medi-calrx.dhcs.ca.gov/home/.

To learn more about this, refer to **Chapter 7** of your *Member Handbook*.

B. Our plan's Drug List

We have a *List of Covered Drugs*. We call it the "Drug List" for short.

We select the drugs on the Drug List with the help of a team of doctors and pharmacists. The Drug List also tells you the rules you need to follow to get your drugs.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

We generally cover a drug on our plan's Drug List when you follow the rules we explain in this chapter.

B1. Drugs on our Drug List

Our Drug List includes drugs covered under Medicare.

Most of the prescription drugs you get from a pharmacy are covered by your plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting your prescriptions through Medi-Cal Rx.

Our Drug List includes brand name drugs, generic drugs, and biosimilars.

A brand name drug is a prescription drug that is sold under a trademarked name owned by the drug manufacturer. Brand name drugs that are more complex than typical drugs (for example drugs that are based on a protein) are called biological products. On our Drug List, when we refer to "drugs" this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Generally, generic drugs work just as well as brand-name drugs and usually cost less. There are generic drug substitutes available for many brand name drugs. Talk to your provider if you have questions about whether a generic or a brand name drug will meet your needs.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our Drug List

To find out if a drug you take is on our Drug List, you can:

- Check the most recent Drug List we sent you in the mail.
- Visit our plan's website at www.iehp.org. The Drug List on our website is always the most current one.
- Call Member Services to find out if a drug is on our Drug List or to ask for a copy of the list.
- Drugs that are not covered by Part D may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information

B3. Drugs not on our Drug List

We don't cover all prescription drugs. Some drugs are not on our Drug List because the law doesn't allow us to cover those drugs. In other cases, we decided not to include a drug on our

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Drug List. If a drug was prescribed that is not on our Drug List, your prescription drug needs will always be evaluated under our plan's coverage policies, as well as Medicare coverage rules.

Our plan does not pay for the drugs listed in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of your *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

1. Our plan's outpatient drug coverage (which includes Part D) cannot pay for a drug that Medicare Part A or Part B already covers. Our plan covers drugs covered under Medicare Part A or Part B for free, but these drugs aren't considered part of your outpatient prescription drug benefits.
2. Our plan cannot cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the Food and Drug Administration (FDA) or supported by certain medical references as a treatment for your condition. Your doctor may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use." Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Medi-Cal cannot cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for cosmetic purposes or to promote hair growth
- Drugs used for the treatment of sexual or erectile dysfunction, such as Viagra®, Cialis®, Levitra®, and Caverject®
- Outpatient drugs made by a company that says you must have tests or services done only by them

B4. Drug List tier

Every drug on our Drug List is in one tier. A tier is a group of drugs of generally the same type (for example, brand name, generic, or over-the-counter (OTC) drugs).

All covered drugs are in 1 tier which includes generic, brand and biosimilars.

To find out which tier your drug is in, look for the drug on our Drug List.

Chapter 6 of your *Member Handbook* tells the amount you pay for drugs in each tier.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

C. Limits on some drugs

For certain prescription drugs, special rules limit how and when our plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

If there is a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule should not apply to your situation, ask us to make an exception. We may or may not agree to let you use the drug without taking extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of your Member Handbook.

1. Limiting use of a brand name drug when a generic version is available

Generally, a generic drug works the same as a brand name drug and usually costs less. If there is a generic version of a brand name drug available, our network pharmacies give you the generic version.

- We usually do not pay for the brand name drug when there is an available generic version.
- However, if your provider told us the medical reason that the generic drug or other covered drugs that treat the same condition will not work for you, then we cover the brand name drug.

2. Getting plan approval in advance

For some drugs, you or your doctor must get approval from our plan before you fill your prescription. If you don't get approval, we may not cover the drug.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than Drug B, we may require you to try Drug A first.

If Drug A does **not** work for you, then we cover Drug B. This is called step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, we might limit how much of a drug you can get each time you fill your prescription.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

To find out if any of the rules above apply to a drug you take or want to take, check our Drug List. For the most up-to-date information, call Member Services or check our website at www.iehp.org. If you disagree with our coverage or exception request decision, you may request an appeal. For more information about this, refer to section E in Chapter 9.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our Drug List. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage for the drug. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug is not on our Drug List or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our Drug List **or**
 - was never on our Drug List **or**
 - is now limited in some way
2. You must be in one of these situations:
 - You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply is for up to 31 days.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
- Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You are new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 31 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your prescription drug in small amounts at a time to prevent waste.
- You have been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
 - If you are a current member with changes to your level of care, we will allow you to refill your prescription until we have provided you with a 31-day transition supply, consistent with the dispensing increment, unless you have a prescription written for fewer days
 - To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- Ask for an exception.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that is not on our Drug List or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

If a drug you take will be taken off our Drug List or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).

To learn more about asking for an exception, refer to **Chapter 9** of your *Member Handbook*.

If you need help asking for an exception, contact Member Services or your care coordinator. If you disagree with our coverage or exception request decision, you may request an appeal (For more information about this, refer to section E in Chapter 9.).

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our Drug List during the year. We may also change our rules about drugs. For example, we may:

- Decide to require or not require prior approval for a drug (permission from us before you can get a drug).
- Add or change the amount of a drug you can get (quantity limits).
- Add or change step therapy restrictions on a drug (you must try one drug before we cover another drug).

For more information on these drug rules, refer to **Section C**.

If you take a drug that we covered at the **beginning** of the year, we generally will not remove or change coverage of that drug **during the rest of the year** unless:

- A new, cheaper drug comes on the market that works as well as a drug on our Drug List now, **or**
- We learn that a drug is not safe, **or**
- A drug is removed from the market.

To get more information on what happens when our Drug List changes, you can always:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Check our current Drug List online at www.iehp.org **or**
- Call Member Services at the number at the bottom of the page to check our current Drug List.

Some changes to our Drug List happen **immediately**. For example:

- **A new generic drug becomes available.** Sometimes, a new generic drug comes on the market that works as well as a brand name drug on our Drug List now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug stays the same.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we send you information about the specific change we made once it happens.
- You or your provider can ask for an “exception” from these changes. We send you a notice with the steps you can take to ask for an exception. Refer to **Chapter 9** of your Member Handbook for more information on exceptions.
- **A drug is taken off the market.** If the Food and Drug Administration (FDA) says a drug you are taking is not safe or the drug’s manufacturer takes a drug off the market, we take it off our Drug List. If you are taking the drug, we tell you. Your provider will also know about this change. He or she can work with you to find another drug for your condition.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our Drug List. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.
- We add a generic drug that is not new to the market **and**
 - Replace a brand name drug currently on our Drug List **or**
 - Change the coverage rules or limits for the brand name drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our Drug List **or**
- Let you know and give you a 31-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If there is a similar drug on our Drug List you can take instead **or**
- If you should ask for an exception from these changes. To learn more about asking for exceptions, refer to **Chapter 9** of your *Member Handbook*.

We may make changes to drugs you take that do not affect you now. For such changes, if you are taking a drug we covered at the **beginning** of the year, we generally do not remove or change coverage of that drug **during the rest of the year**.

For example, if we remove a drug you are taking or limit its use, then the change does not affect your use of the drug for the rest of the year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you are admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the cost of your prescription drugs during your stay. You will not pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

To learn more about drug coverage and what you pay, refer to **Chapter 6** of your Member Handbook.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing home, has their own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your prescription drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it is not or if you need more information, contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require a pain, anti-nausea, laxative, or anti-anxiety drug that your hospice does not cover because it is not related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of your Member Handbook for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help you use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- May not be needed because you take another drug that does the same thing
- May not be safe for your age or gender
- Could harm you if you take them at the same time
- Have ingredients that you are or may be allergic to
- Have unsafe amounts of opioid pain medications

If we find a possible problem in your use of prescription drugs, we work with your provider to correct the problem.

G2. Programs to help you manage your drugs

You may take medications for different medical conditions and/or are in a Drug Management Program to help you use your opioid medications safely. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program helps you and your provider make sure that your medications are working to improve your health. A pharmacist or other health professional will give you a comprehensive review of all of your medications and talk with you about:

- How to get the most benefit from the drugs you take
- Any concerns you have, like medication costs and drug reactions
- How best to take your medications
- Any questions or problems you have about your prescription and over-the-counter medication

Then, they will give you:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to schedule your medication review before your yearly "Wellness" visit, so you can talk to your doctor about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

Medication therapy management programs are voluntary and free to members who qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you do not want to be in the program, let us know, and we will take you out of it.

If you have questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program for safe use of opioid medications

Our plan has a program that can help members safely use their prescription opioid medications and other medications that are frequently misused. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several doctors or pharmacies or if you had a recent opioid overdose, we may talk to your doctors to make sure your use of opioid medications is appropriate and medically necessary. Working with your doctors, if we decide your use of prescription opioid or benzodiazepine medications is not safe, we may limit how you can get those medications. Limitations may include:

- Requiring you to get all prescriptions for those medications from a certain pharmacy and/or from a certain doctor
- Limiting the amount of those medications we cover for you

If we think that one or more limitations should apply to you, we send you a letter in advance. The letter explains the limitations we think should apply.

You will have a chance to tell us which doctors or pharmacies you prefer to use and any information you think is important for us to know. If we decide to limit your coverage for these medications after you have a chance to respond, we send you another letter that confirms the limitations.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

If you think we made a mistake, you disagree that you are at risk for prescription drug misuse, or you disagree with the limitation, you and your prescriber can make an appeal. If you make an appeal, we will review your case and give you a written decision. If we continue to deny any part of your appeal related to limitations to your access to these medications, we automatically send your case to an Independent Review Organization. To learn more about appeals and the Independent Review Organization, refer to **Chapter 9** of your *Member Handbook*.)

The DMP may not apply to you if you:

- Have certain medical conditions, such as cancer or sickle cell disease,
- Are getting hospice, palliative, or end-of-life care, **or**
- Live in a long-term care facility.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Chapter 6: What you pay for your Medicare and Medi-Cal prescription drugs

Introduction

This chapter tells what you pay for your outpatient prescription drugs. By “drugs,” we mean:

- Medicare Part D prescription drugs, **and**
- Drugs and items covered under Medi-Cal Rx, **and**
- Drugs and items covered by our plan as additional benefits.

Because you are eligible for Medi-Cal, you get “Extra Help” from Medicare to help pay for your Medicare Part D prescription drugs. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

To learn more about prescription drugs, you can look in these places:

- *Our List of Covered Drugs.*
 - We call this the “Drug List.” It tells you:
 - » Which drugs we pay for
 - » Which tier each drug is in
 - » If there are any limits on the drugs
 - If you need a copy of our Drug List, call Member Services. You can also find the most current copy of our Drug List on our website at www.iehp.org.
 - Most of the prescription drugs you get from a pharmacy are covered by IEHP DualChoice. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit the Medi-Cal Rx

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal Rx Customer Service Center at 800-977-2273. Please bring your Medi-Cal Beneficiary Identification Card (BIC) when getting prescriptions through Medi-Cal Rx.”

 - It includes rules you need to follow. It also tells which types of prescription drugs our plan does not cover.
- Our *Provider and Pharmacy Directory*.
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies are pharmacies that agree to work with us.
 - The *Provider and Pharmacy Directory* lists our network pharmacies. Refer to **Chapter 5** of your Member Handbook more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your prescription drugs. We keep track of two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions.
- Your **total drug costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions, plus the amount we pay.

When you get prescription drugs through our plan, we send you a summary called the *Part D Explanation of Benefits*. We call it the Part D EOB for short. The Part D EOB has more information about the drugs you take. The Part D EOB includes:

- **Information for the month**. The summary tells what prescription drugs you got. It shows the total drug costs, what we paid, and what you and others paying for you paid.
- **Year-to-date information**. This is your total drug costs and total payments made since January 1.
- **Drug price information**. This is the total price of the drug and the percentage change in the drug price since the first fill.
- **Lower cost alternatives**. When available, they appear in the summary below your current drugs. You can talk to your prescriber to find out more.

We offer coverage of drugs not covered under Medicare.

- Most of the prescription drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal customer service center at 800-977-2273. Please bring your Medi-Cal beneficiary identification card (BIC) when getting prescriptions through Medi-Cal Rx.
- To find out which drugs our plan covers, refer to our Drug List.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your plan ID card.

Show your IEHP DualChoice ID card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

2. Make sure we have the information we need.

Give us copies of receipts for drugs that you paid for. You can ask us to pay you back for our share of the cost of the drug.

Here are some times when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or using a discount card that is not part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug

For more information about asking us to pay you back for our share of the cost of a drug, refer to **Chapter 7** of your *Member Handbook*.

3. Send us information about payments others have made for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program, the Indian Health Service, and most charities count toward your out-of-pocket costs.

4. Check the EOBs we send you.

When you get a Part D EOB in the mail, make sure it is complete and correct. If you think something is wrong or missing, or if you have any questions, call Member Services. Keep these Part D EOBs. They are an important record of your drug expenses.

C. You pay nothing for a one-month or long-term supply of drugs

With our plan, you pay nothing for covered drugs as long as you follow our rules.

Because you qualify for "Extra Help", you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.

C1. Our tier

Tiers are groups of drugs on our plan's Drug List. Every drug on our Drug List is in one tier. You have no copay for prescription and OTC drugs on our Drug List as long as you receive "Extra Help". To find the tier for your drugs, refer to our Drug List.

- Tier 1 drugs include *generic*, brand and biosimilar drugs.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of your *Member Handbook* to find out when we do that. Refer to Chapter 9 to learn about how to file an appeal if you are told a drug will not be covered.

To learn more about these pharmacy choices, refer to **Chapter 5** of your *Member Handbook* and our *Provider and Pharmacy Directory*.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 90-day supply. There is no cost to you for a long-term supply.

For details on where and how to get a long-term supply of a drug, refer to **Chapter 5** of your *Member Handbook* or our *Provider and Pharmacy Directory*.

C4. What you pay

Most of the prescription drugs you get from a pharmacy are covered by the plan. Other drugs, such as some over-the-counter (OTC) medications and certain vitamins, may be covered by Medi-Cal Rx. Please visit Medi-Cal Rx website (medi-calrx.dhcs.ca.gov/) for more information. You can also call the Medi-Cal customer service center at 800-977-2273. Please bring your Medi-Cal beneficiary identification card (BIC) when getting prescriptions through Medi-Cal Rx.

Because you qualify for “Extra Help”, you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.

For information about which pharmacies can give you long-term supplies, refer to our plan's *Provider and Pharmacy Directory*.

D. Prescription cost-sharing assistance for persons with HIV/AIDS

D1. The AIDS Drug Assistance Program (ADAP)

The AIDS Drug Assistance Program (ADAP) helps eligible individuals living with HIV/AIDS access life-saving HIV medications. Outpatient Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the California Department of Public Health, Office of AIDS for individuals enrolled in ADAP.

D2. If you are not enrolled in ADAP

For information on eligibility criteria, covered drugs, or how to enroll in the program, call 1-844-421-7050 or check the ADAP website at www.cdph.ca.gov/Programs/CID/DOA/Pages/OA_adap_eligibility.aspx.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

D3. If you are enrolled in ADAP

ADAP can continue to provide ADAP clients with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. To be sure you continue getting this assistance, notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. If you need help finding the nearest ADAP enrollment site and/or enrollment worker, call 1-844-421-7050 or check the website listed above.

E. Vaccinations

Important Message About What You Pay for Vaccines - Our plan covers most Medicare Part D vaccines at no cost to you. There are two parts to our coverage of Medicare Part D vaccinations:

1. The first part of coverage is for the cost of **the vaccine itself**. The vaccine is a prescription drug.
2. The second part of coverage is for the cost of **giving you the vaccine**. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

E1. What you need to know before you get a vaccination

We recommend that you call Member Services if you plan to get a vaccination.

- We can tell you about how our plan covers your vaccination.
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Part D vaccine.

E2. What you pay for a vaccination covered by Medicare Part D

What you pay for a vaccination depends on the type of vaccine (what you are being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in Chapter 4 of your Member Handbook.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's Drug List.

Here are three common ways you might get a Medicare Part D vaccination.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - You pay nothing for the vaccine.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
 - You pay nothing to the doctor for the vaccine.
 - Our plan pays for the cost of giving you the shot.
 - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay nothing for the vaccine.
3. You get the Medicare Part D vaccine at a pharmacy, and you take it to your doctor's office to get the shot.
 - You pay nothing for the vaccine.
 - Our plan pays for the cost of giving you the shot.

Because you qualify for "Extra Help", you pay nothing for your prescription drug costs as long as you follow our rules. If you no longer qualify for Extra Help, your drug costs may change.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Chapter 7: Asking us to pay our share of a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you do not agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of your *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	120
B. Sending us a request for payment	122
C. Coverage decisions.....	122
D. Appeals	123

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

A. Asking us to pay for your services or drugs

You should not get a bill from in-network services or drugs. Our network providers must bill the health plan for your covered services and drugs after you get them. A network provider works with the health plan. **If you get a bill for health care or drugs, do not pay the bill and send the bill to us.** To send us a bill, refer to **Section B**.

- If we cover the services or drugs, we will pay the provider directly.
 - If we cover the services or drugs and you already paid the bill, it is your right to be paid back.
 - If we do not cover the services or drugs, we will tell you.
- ❖ Contact Member Services or your care coordinator if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Here are examples of times when you may need to ask us to pay you back or to pay a bill you got:

1. When you get emergency or urgently needed health care from an out-of-network provider (see Chapter 3, section D4 [*Out-of-network providers*] on page 39)

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you *back* for our share of the cost. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we will pay the provider directly.
 - If you already paid for the service, we will pay you back for our share of the cost.
- Refer to **Chapter 5** of your Member Handbook to learn more about out-of-network pharmacies.

2. When a network provider sends you a bill

Network providers must always bill us. Show your plan ID card when you get any services or prescriptions. Improper or inappropriate billing occurs when a provider (such as a doctor or hospital) bills you more than our cost sharing amount for services. **Call Member Services if you get any bills. Do not pay the bill.**

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Because we pay the entire cost for your services, you are not responsible for paying any costs. Providers should not bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We will contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider, send us the bill and proof of any payment you made. We will pay you back for the difference between the amount you paid and the amount you owed under our plan.

3. When you use an out-of-network pharmacy to get a prescription filled

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Refer to **Chapter 5** of your Member Handbook to learn more about out-of-network pharmacies.

4. When you pay the full prescription cost because you don't have your plan ID card with you

If you don't have your plan ID card with you, you can ask the pharmacy to call us or look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full prescription cost yourself or return to the pharmacy with your plan ID card.
- Send us a copy of your receipt when you ask us to pay you *back* for our share of the cost.

5. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs* (Drug List) on our website, or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of your *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away, you can ask for a fast coverage decision (refer to **Chapter 9** of your *Member Handbook*).

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a “coverage decision.” If we decide the service or drug should be covered, we pay for our share of the cost of it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of your *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you made. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It’s a good idea to make a copy of your bill and receipts for your records.**

Mail your request for payment together with any bills or receipts to this address:

IEHP DualChoice

P.O. Box 4259

Rancho Cucamonga, CA 91729-4259

You may also call us to ask for payment. Please call IEHP DualChoice Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347

You must submit your claim to us within 365 days of the date you got the service, item, or drug.

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item, or drug. We also decide the amount of money, if any, you must pay.

- We let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we pay our share of the cost for it. If you already paid for the service or drug, we will mail you a check for our share of the cost. If you haven’t paid, we pay the provider directly.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

❖ **Chapter 3** of your Member Handbook explains the rules for getting your services covered. **Chapter 5** of your *Member Handbook* explains the rules for getting your Medicare Part D prescription drugs covered.

- If we decide not to pay for our share of the cost of the service or drug, we send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to Chapter 9 (*What to do if you have a problem or complaint [coverage decisions, appeals and complaints]*).

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called “making an appeal.” You can also make an appeal if you don’t agree with the amount we pay.

❖ The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of your Member Handbook:

- To make an appeal about getting paid back for a health care service, refer to **Section F** (Medical care, page 143).
- To make an appeal about getting paid back for a drug, refer to **Section G** (Medicare Part D prescription drugs, page 156).

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand. You have the right to:

- **Know your choices.** You have the right to be told about different treatment options.
- **Know the risks.** You have the right to be told about any risks involved. We must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we will not drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of your Member Handbook tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you.**
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you do **not** want.

The legal document that you use to give your directions is called an “advance directive.” There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You are not required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get the form from your doctor, a lawyer, a legal services agency, or a social worker. Pharmacies and provider offices often have the forms. You can find a free form online and download it.
- **Fill out the form and sign it.** The form is a legal document. You should consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies to people who need to know.** You should give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you. You may want to give copies to close friends or family members. Keep a copy at home.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If you are being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.
- Learn about changes to advance directive laws. IEHP DualChoice will tell you about changes to the state law no later than 90 days after the change.

Having an advance directive is **your** choice. Call Member Services for more information.

G3. What to do if your instructions are not followed

If you signed an advance directive and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with California Department of Social Services State Hearing Division, P.O. Box 944243, Mail Station 9-17-37, Sacramento, CA 94244-2430. You can call their toll-free number at 1-800-743-8525. TTY users can call 916-263-0935.

H. Your right to make complaints and ask us to reconsider our decisions

Chapter 9 of your Member Handbook tells you what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

If you think we treated you unfairly – and it is **not** about discrimination for reasons listed in **Chapter 11** of your *Member Handbook* – or you want more information about your rights, you can call:

- Member Services at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read the *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of your Member Handbook. Those chapters tell you what is covered, what is not covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapters 5 and 6** of your Member Handbook.
- **Tell us about any other health or prescription drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are a member of our plan. Show your plan ID card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all of the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- **Work with your care coordinator** including completing an annual health risk assessment.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and with other providers.
- **Tell us about any services you receive outside of our plan.**
- **Pay what you owe.** As a plan member, you are responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most plan members, Medi-Cal pays for your Part A premium and your Part B premium.
 - For some of your drugs that our plan covers, you must pay your share of the cost when you get the drug. For most plan members, you receive "Extra Help" to cover the cost of your drugs.
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
 - **If you move outside of our service area you cannot stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of your *Member Handbook* tells you about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or prescription drug plan in your new location. We can tell you if we have a plan in your new area.
 - Tell Medicare and Medi-Cal your new address when you move. Refer to **Chapter 2** of your *Member Handbook* for phone numbers for Medicare and Medi-Cal.
 - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
- **Tell us if you have a new phone number** or a better way to contact you.
- Call Member Services for help if you have questions or concerns.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

- You have a problem with or complaint about your plan.
- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.
- You have a problem or complaint with your long-term services and supports, which include Community-Based Adult Services (CBAS) and Nursing Facility (NF) services.

This chapter is in different sections to help you easily find what you are looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, and long-term services and supports that your doctor and other providers determine are necessary for your care as a part of your care plan. **If you have a problem with your care, you can call the Ombuds Program at 1-888-452-8609 for help.**

This chapter explains different options you have for different problems and complaints, but you can always call the Ombuds Program to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to **Chapter 2** of your Member Handbook.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints**; also called grievances.

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination,” “benefit determination,” “at-risk determination,” or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” instead of “Independent Review Entity”

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the California Department of Managed Health Care

Contact the California Department of Managed Health Care for free help. The DMHC is responsible for regulating health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891.

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-877-273-IEHP (4347) and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-466-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov has complaint forms, IMR application forms and instructions online.

C. Understanding Medicare and Medi-Cal complaints and appeals in our plan

You have Medicare and Medi-Cal. Information in this chapter applies to **all** of your Medicare and Medi-Cal benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Medi-Cal processes.

Sometimes Medicare and Medi-Cal processes cannot be combined. In those situations, you use one process for a Medicare benefit and another process for a Medi-Cal benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The chart below helps you find the right section of this chapter for problems or complaints.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

<p>Is your problem or concern about your benefits or coverage?</p> <p>This includes problems about whether particular medical care or prescription drugs are covered or not, the way they are covered, and problems about payment for medical care or prescription drugs.</p>	
<p>Yes.</p> <p>My problem is about benefits or coverage.</p> <p>Refer to Section E, “Coverage decisions and appeals.”</p>	<p>No.</p> <p>My problem is not about benefits or coverage.</p> <p>Refer to Section K, “How to make a complaint.”</p>

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage. It also includes problems with payment.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. We make a coverage decision whenever we decide what is covered for you and how much we pay. For example, your network doctor makes a favorable coverage decision for you whenever you get medical care from them or if they refer you to a medical specialist.

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we will cover a medical service before you get it, you can ask us to make a coverage decision for you.**

In some cases, we may decide a service or drug is not covered or is no longer covered for you by Medicare or Medi-Cal. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you are not satisfied with this decision, you can “appeal” the decision. An appeal is a formal way of asking us to review and change a coverage decision we have made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

In most cases, you must start your appeal at Level 1. If you do not want to first appeal to the plan for a Medi-Cal service, if your health problem is urgent or involves an immediate and serious threat to your health, or if you are in severe pain and need an immediate decision, you may ask for an Independent Medical Review from the Department of Managed Health Care at www.dmhc.ca.gov. Refer to page 152 for more information.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter (Chapter 9: *What to do if you have a problem or complaint [coverage decisions, appeals, complaints]*), you can ask for an expedited or “fast coverage decision” or fast appeal of a coverage decision.

If we say **No** to all or part of your Level 1 Appeal, you can go on to a Level 2 Appeal. An Independent Review Organization that is not connected to us conducts the Level 2 Appeal.

- In some situations, your case is **automatically sent** to the Independent Review Organization for a Level 2 Appeal. If this happens, we tell you.
- In other situations, you **need to ask** for a Level 2 Appeal.
- Refer to **Section F4** for more information about Level 2 Appeals.

If you are not satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E3. Help with coverage decisions and appeals

You can ask for help from any of the following:

- **Member Services** at the numbers at the bottom of the page.
- **Health Insurance Counseling and Advocacy Program (HICAP)** at 1-800-434-0222.
- **The Help Center at the Department of Managed Health Care (DMHC)** for free help. The DMHC is responsible for regulating health plans. The DMHC helps people with appeals about Medi-Cal services or billing problems. The phone number is 1-888-466-2219. Individuals who are deaf, hard of hearing, or speech-impaired can use the toll-free TDD number, 1-877-688-9891.
- **Your doctor or other provider.** Your doctor or other provider can ask for a coverage decision or appeal on your behalf.
- **A friend or family member.** You can name another person to act for you as your “representative” and ask for a coverage decision or make an appeal.
- **A lawyer.** You have the right to a lawyer, but **you are not required to have a lawyer** to ask for a coverage decision or make an appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Call your own lawyer, or get the name of a lawyer from the local bar association or other referral service. Some legal groups will give you free legal services if you qualify.
- Ask for a legal aid attorney from the Health Consumer Alliance at 1-888-804-3536.

Fill out the Appointment of Representative form if you want a lawyer or someone else to act as your representative. The form gives someone permission to act for you.

Call Member Services at the numbers at the bottom of the page and ask for the “Appointment of Representative” form. You can also get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at www.iehp.org. **You must give us a copy of the signed form.**

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D prescription drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)”

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to pay you back for our share of the cost of your care.

This section is about your benefits for medical care and services that are described in **Chapter 4** of your *Member Handbook*. We generally refer to “medical care coverage” or “medical care” in the rest of this section. The term “medical care” includes medical services and items as well as Medicare Part B prescription drugs which are usually drugs administered by your doctor or health care professional. Different rules may apply to a Part B prescription drug. When they do, we explain how rules for Part B prescription drugs differ from rules for medical services and items.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

F1. Using this section

This section explains what you can do in any of the following situations:

1. You think we cover medical care you need but are not getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we will not pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

6. You are experiencing delays in care or you cannot find a doctor.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or Comprehensive Outpatient Rehabilitation Facility (CORF) services, special rules apply. Refer to **Section H** (*Asking us to cover a longer hospital stay*) or **Section I** (*Asking us to continue covering certain medical services*) to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **"integrated organization determination."**

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: 1-877-273-IEHP (4347) TTY: 1-800-718-4347.
- Faxing: (909) 890-5877.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Writing: IEHP Dual Choice, P.O. Box 1800, Rancho Cucamonga, CA 91729-1800.

Standard coverage decision

When we give you our decision, we use the “standard” deadlines unless we agree to use the “fast” deadlines. A standard coverage decision means we give you an answer about a:

- IEHP DualChoice will decide routine pre-approvals within 5 working days, of when IEHP DualChoice gets the information needed to make a decision, and no later than 14 calendar days after IEHP DualChoice receives the request.
- Medicare Part B prescription drug within 72 hours after we get your request.

Fast coverage decision

The legal term for “fast coverage decision” is “**expedited determination.**”

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a “fast coverage decision.” A fast coverage decision means we will give you an answer about a:

- Medical service or item within 72 hours after we get your request.
- Medicare Part B prescription drug within 24 hours after we get your request.

To get a fast coverage decision, you must meet two requirements:

- You are asking for coverage for medical care you **did not get**. You can’t ask for a fast coverage decision about payment for medical care you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast coverage decision.

- If we decide that your health doesn’t meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
- We automatically give you a fast coverage decision if your doctor asks for it.
- How you can file a “fast complaint” about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K** (*How to make a complaint*).

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

If we say **No to part or all of your request**, we send you a letter explaining the reasons.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you will go on to Level 1 of the appeals process (refer to **Section F3** [*Making a Level 1 Appeal*]).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- If the request is incomplete,
- If someone makes the request on your behalf but isn't legally authorized to do so, or
- If you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we will send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347.

Ask for a standard appeal or a fast appeal in writing or by calling us at 1-877-273-IEHP (4347).

- If your doctor or other prescriber asks to continue a service or item you are already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf or on our website at <https://www.iehp.org/en/members/iehp-dualchoice-cal-mediconnect-plan?target=important-resources>.
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form within 44 calendar days after getting your appeal request:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the Independent Review Organization to review our decision to dismiss your appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.

If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.

- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

The legal term for “fast appeal” is “**expedited reconsideration.**”

- If you appeal a decision we made about coverage for care that you did not get, you and/or your doctor decide if you need a fast appeal.
- The process for a fast appeal is the same as for a fast coverage decision. To ask for a fast appeal, follow the instructions for asking for a fast coverage decision in **Section F2** (*Asking for a coverage decision*).
- If your doctor tells us that your health requires it, we will give you a fast appeal.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal **within 10 calendar days** of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you will get the service or item with no changes while your Level 1 appeal is pending.
 - You will also get all other services or items (that are not the subject of your appeal) with no changes.
 - If you do not appeal before these dates, then your service or medication will not be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We will give you our answer sooner if your health requires it.
- If we don't give you an answer **within 72 hours**, we must send your request to Level 2 of the appeals process. An Independent Review Organization then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process.
- **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the Independent Review Organization for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B prescription drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If we don't give you an answer by the deadline, we must send your request to Level 2 of the appeals process. An Independent Review Organization then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process.

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B prescription drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights:**

If we say **No** to part or all of what you asked for, we send you a letter.

- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the Independent Review Organization for a Level 2 Appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If your problem is about coverage of a Medi-Cal service or item, the letter tells you how to file a Level 2 Appeal yourself.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Medi-Cal, or both programs usually cover the service or item.

- If your problem is about a service or item that **Medicare** usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that **Medi-Cal** usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter. We do not automatically file a Level 2 Appeal for you for Medi-Cal services or items.
- If your problem is about a service or item that **both Medicare and Medi-Cal** may cover, you automatically get a Level 2 Appeal with the Independent Review Organization. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** (*Making a Level 1 Appeal*) for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the Independent Review Organization.
- If your problem is about a service that usually covered only by Medi-Cal, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The Independent Review Organization reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the "Independent Review Organization" is the "**Independent Review Entity**," sometimes called the "**IRE**."

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the Independent Review Organization, and Medicare oversees their work.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- We send information about your appeal (your “case file”) to this organization. You have the right to a free copy of your case file.
- You have a right to give the Independent Review Organization additional information to support your appeal.
- Reviewers at the Independent Review Organization take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The Independent Review Organization must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the Independent Review Organization must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B prescription drug, the Independent Review Organization must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.

The Independent Review Organization gives you their answer in writing and explains the reasons.

- **If the Independent Review Organization says Yes to part or all of a request for a medical item or service**, we must promptly implement the decision:
 - Authorize the medical care coverage **within 72 hours** or
 - Provide the service within **14 calendar days** after we get the Independent Review Organization’s decision for **standard requests** or
 - Provide the service **within 72 hours** from the date we get the Independent Review Organization’s decision for **expedited requests**.
- If the Independent Review Organization says **Yes** to part or all of a request for a Medicare Part B prescription drug, we must authorize or provide the Medicare Part B prescription drug under dispute:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- **Within 72 hours** after we get the Independent Review Organization's decision for **standard requests** or
- **Within 24 hours** from the date we get the Independent Review Organization's decision for **expedited requests**.
- If the Independent Review Organization says **No** to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
- If your case meets the requirements, you choose whether you want to take your appeal further.
- There are three additional levels in the appeals process after Level 2, for a total of five levels.
- If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
- An Administrative Law Judge or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** (*Taking your appeal beyond Level 2*) for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medi-Cal usually covers

There are two ways to make a Level 2 appeal for Medi-Cal services and items: (1) Filing a complaint or Independent Medical Review or (2) State Hearing.

(1) Independent Medical Review

You can file a complaint with or ask for an Independent Medical Review (IMR) from the Help Center at the California Department of Managed Health Care (DMHC). By filing a complaint, the DMHC will review our decision and make a determination. An IMR is available for any Medi-Cal covered service or item that is medical in nature. An IMR is a review of your case by doctors who are not part of our plan or a part of the DMHC. If the IMR is decided in your favor, we must give you the service or item you requested. You pay no costs for an IMR.

You can file a complaint or apply for an IMR if our plan:

- Denies, changes, or delays a Medi-Cal service or treatment because our plan determines it is not medically necessary.
- Will not cover an experimental or investigational Medi-Cal treatment for a serious medical condition.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Will not pay for emergency or urgent Medi-Cal services that you already received.
- Has not resolved your Level 1 Appeal on a Medi-Cal service within 30 calendar days for a standard appeal or 72 hours for a fast appeal.

NOTE: If your provider filed an appeal for you, but we do not get your Appointment of Representative form, you will need to refile your appeal with us before you can file for a Level 2 IMR with the Department of Managed Health Care.

You are entitled to both an IMR and a State Hearing, but not if you have already had a State Hearing on the same issue.

In most cases, you must file an appeal with us before requesting an IMR. Refer to page 146 for information, about our Level 1 appeal process. If you disagree with our decision, you can file a complaint with the DMHC or ask the DMHC Help Center for an IMR.

If your treatment was denied because it was experimental or investigational, you do not have to take part in our appeal process before you apply for an IMR.

If your problem is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may bring it immediately to the DMHC's attention without first going through our appeal process.

You must **apply for an IMR within 6 months** after we send you a written decision about your appeal. The DMHC may accept your application after 6 months for good reason, such as you had a medical condition that prevented you from asking for the IMR within 6 months or you did not get adequate notice from us of the IMR process.

To ask for an IMR:

- Fill out the Independent Medical Review Application/Complaint Form available at: www.dmhc.ca.gov/fileacomplaint/submitanindependentmedicalreviewcomplaintform.aspx or call the DMHC Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- If you have them, attach copies of letters or other documents about the service or item that we denied. This can speed up the IMR process. Send copies of documents, not originals. The Help Center cannot return any documents.
- Fill out the Authorized Assistant Form if someone is helping you with your IMR. You can get the form at www.dmhc.ca.gov/FileaComplaint/IndependentMedicalReviewComplaintForms.aspx or call the Department's Help Center at 1-888-466-2219. TTY users should call 1-877-688-9891.
- Mail or fax your forms and any attachments to:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Help Center
Department of Managed Health Care
980 Ninth Street, Suite 500
Sacramento, CA 95814-2725
FAX: 916-255-5241

If you qualify for an IMR, the DMHC will review your case and send you a letter within 7 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 30 calendar days. You should receive the IMR decision within 45 calendar days of the submission of the completed application.

If your case is urgent and you qualify for an IMR, the DMHC will review your case and send you a letter within 2 calendar days telling you that you qualify for an IMR. After your application and supporting documents are received from your plan, the IMR decision will be made within 3 calendar days. You should receive the IMR decision within 7 calendar days of the submission of the completed application. If you are not satisfied with the result of the IMR, you can still ask for a State Hearing.

An IMR can take longer if the DMHC does not receive all of the medical records needed from you or your treating doctor. If you are using a doctor who is not in your health plan's network, it is important that you get and send us your medical records from that doctor. Your health plan is required to get copies of your medical records from doctors who are in the network.

If the DMHC decides that your case is not eligible for IMR, the DMHC will review your case through its regular consumer complaint process. Your complaint should be resolved within 30 calendar days of the submission of the completed application. If your complaint is urgent, it will be resolved sooner.

(2) State Hearing

You can ask for a State Hearing for Medi-Cal covered services and items. If your doctor or other provider asks for a service or item that we will not approve, or we will not continue to pay for a service or item you already have and we said no to your Level 1 appeal, you have the right to ask for a State Hearing.

In most cases **you have 120 days to ask for a State Hearing** after the "Your Hearing Rights" notice is mailed to you.

NOTE: If you ask for a State Hearing because we told you that a service you currently get will be changed or stopped, **you have fewer days to submit your request** if you want to keep getting that service while your State Hearing is pending. Read "Will my benefits continue during Level 2 appeals" on page 149 for more information.

There are two ways to ask for a State Hearing:

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

1. You may complete the "Request for State Hearing" on the back of the notice of action. You should provide all requested information such as your full name, address, telephone number, the name of the plan or county that took the action against you, the aid program(s) involved, and a detailed reason why you want a hearing. Then you may submit your request one of these ways:
 - To the county welfare department at the address shown on the notice.
 - To the California Department of Social Services:

State Hearings Division
P.O. Box 944243, Mail Station 9-17-37
Sacramento, California 94244-2430
 - To the State Hearings Division at fax number 916-651-5210 or 916-651-2789.
2. You can call the California Department of Social Services at 1-800-952-5253. TTY users should call 1-800-952-8349. If you decide to ask for a State Hearing by phone, you should be aware that the phone lines are very busy.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we should not approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the Independent Review Organization or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **Independent Review Organization**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An Administrative Law Judge or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the Independent Review Organization explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** (*Taking your appeal beyond Level 2*) for more information about your appeal rights after Level 2.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

F5. Payment problems

We do not allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. **You are never required to pay the balance of any bill.**

If you get a bill for covered services and items, send the bill to us. **You should not pay the bill yourself.** We will contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of your *Member Handbook*. It describes situations when you may need to ask us to pay your back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you are asking for a coverage decision. We will check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we will send your provider the payment for the service or item within 60 calendar days after we get your request. Your provider will then send the payment to you.
- If you haven't paid for the service or item yet, we will send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item is not covered or you did not follow all the rules, we will send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal.** Follow the appeals process described in **Section F3** (*Making a Level 1 Appeal*). When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.
- If you ask us to pay you back for medical care you got and paid for yourself, you can't ask for a fast appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we will send your case to the Independent Review Organization. We will send you a letter if this happens.

- If the Independent Review Organization reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If the Independent Review Organization says **No** to your appeal, it means they agree that we should not approve your request. This is called “upholding the decision” or “turning down your appeal.” You will get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and **Medi-Cal** usually covers the service or item, you can file a Level 2 Appeal yourself. We do not automatically file a level 2 appeal for you. Refer to **Section F4** for more information.

G. Medicare Part D prescription drugs

Your benefits as a member of our plan include coverage for many prescription drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Medi-Cal may cover. **This section only applies to Part D drug appeals.** We'll say “drug” in the rest of this section Instead of saying “Part D drug” every time.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of your *Member Handbook* for more information about a medically accepted indication.

G1. Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Part D drugs:

- You ask us to make an exception, including asking us to:
 - Cover a Part D drug that is not on our plan's Drug List or
 - Set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's Drug List but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Part D drugs is called a “**coverage determination.**”

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you

Which of these situations are you in?			
You need a drug that isn't on our Drug List or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our Drug List, and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 (<i>Asking for a coverage decision, including an exception</i>).	Refer to Section G4 (<i>Asking for a coverage decision, including an exception</i>).	Refer to Section G4 (<i>Asking for a coverage decision, including an exception</i>).	Refer to Section G5 (<i>Making a Level 1 Appeal</i>).

G2. Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our Drug List or for removal of a restriction on a drug is sometimes called asking for a **"formulary exception."**

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that is not on our Drug List

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our Drug List (refer to **Chapter 5** of your *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization."
 - Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called "step therapy."
 - Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our Drug List often includes more than one drug for treating a specific condition. These are called "alternative" drugs. If an alternative drug is just as effective as the drug you ask for and wouldn't cause more side effects or other health problems, we generally do **not** approve your exception request.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.
- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** (*Making a Level 1 Appeal*) for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 1-877-273-IEHP (4347), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Include your name, contact information, and information about the claim.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** (*Help with coverage decisions and appeals*) to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of your *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination.**"

- You can get a fast coverage decision if:
- It's for a drug you didn't get. You can't get a fast coverage decision if you are asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision, we use the standard deadlines instead.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
- You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K** (*How to make a complaint*).

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an Independent Review Organization. Refer to **Section G6** (*Making a Level 2 Appeal*) for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how you can make an appeal.

Deadlines for a standard coverage decision about a drug you didn't get

- If we use the standard deadlines, we must give you our answer within 72 hours after we get your request. If you ask for an exception, we give you our answer within 72 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an Independent Review Organization.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an Independent Review Organization.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Part D drug coverage decision is called a plan “**redetermination.**”

- Start your **standard** or **fast appeal** by calling 1-877-273-IEHP (4347) (TTY: 1-800-718-4347), writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Include your name, contact information, and information regarding your claim.
- You must ask for an appeal **within 60 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn’t get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** (*Asking for a coverage decision, including an exception*) for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
- We give you our answer sooner if your health requires it.
- If we don't give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an Independent Review Organization reviews it. Refer to **Section G6** (*Making a Level 2 Appeal*) for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get your appeal for a drug you didn't get.
- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
- If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an Independent Review Organization reviews it. Refer to **Section G6** (*Making a Level 2 Appeal*) for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request:
 - We must **provide the coverage** we agreed to provide as quickly as your health requires but **no later than 7 calendar days** after we get your appeal.
 - We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **Independent Review Organization** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the “Independent Review Organization” is the “**Independent Review Entity**,” sometimes called the “**IRE**.”

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the Independent Review Organization **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you include **instructions about how to make a Level 2 Appeal** with the Independent Review Organization. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the Independent Review Organization, we send the information we have about your appeal to the organization. This information is called your “case file.” **You have the right to a free copy of your case file.**
- You have a right to give the Independent Review Organization additional information to support your appeal.

The Independent Review Organization reviews your Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** (*Making a Level 2 Appeal*) for more information about the Independent Review Organization.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the Independent Review Organization for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the Independent Review Organization's decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the Independent Review Organization must give you an answer:

- **Within 7 calendar days** after they get your appeal for a drug you didn't get.
- **Within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the Independent Review Organization says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the Independent Review Organization's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the Independent Review Organization's decision.
- If the Independent Review Organization says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal."

If the Independent Review Organization says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The Independent Review Organization sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the Independent Review Organization says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the Independent Review Organization sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An Administrative Law Judge or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of your *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you are concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "**An Important Message from Medicare about Your Rights.**" Everyone with Medicare gets a copy of this notice whenever they are admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Signing the notice **only** shows that you got the information about your rights. Signing does **not** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
- Visit www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

H2. Making a Level 1 Appeal

If you want us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The Quality Improvement Organization is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They are not part of our plan.

In California, the Quality Improvement Organization is Livanta Beneficiary & Family Centered Care (BFCC) Quality Improvement Organization (QIO). Call them at 1-877-588-1123. Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the Quality Improvement Organization before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the Quality Improvement Organization's decision about your appeal.
- **If you do not call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- **If you miss the deadline** for contacting the Quality Improvement Organization about your appeal, appeal to our plan directly instead. Refer to **Section G4** (*Asking for a coverage decision, including an exception*) for information about making an appeal to us.
- Because hospital stays are covered by both Medicare and Medi-Cal, if the Quality Improvement Organization will not hear your request to continue your hospital stay, or you believe that your situation is urgent, involves an immediate and serious threat to your health, or you are in severe pain, you may also file a complaint with or ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to Section F4 on page 149 to learn how to file a complaint and ask the DMHC for an Independent Medical Review.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222.

Ask for a fast review. Act quickly and contact the Quality Improvement Organization to ask for a fast review of your hospital discharge.

The legal term for “**fast review**” is “**immediate review**” or “**expedited review.**”

What happens during fast review

- Reviewers at the Quality Improvement Organization ask you or your representative why you think coverage should continue after the planned discharge date. You aren’t required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you will get another notice that explains why your doctor, the hospital, and we think that is the right discharge date that’s medically appropriate for you.

The legal term for this written explanation is the “**Detailed Notice of Discharge.**” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.) You can also refer to a sample notice online at www.cms.gov/Medicare/Medicare-General-Information/BNI/HospitalDischargeAppealNotices.

Within one full day after getting all of the information it needs, the Quality Improvement Organization give you their answer to your appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

If the Quality Improvement Organizations says **Yes** to your appeal:

- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the Quality Improvement Organization says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the Quality Improvement Organization gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the Quality Improvement Organization gives you their answer to your appeal.
- You can make a Level 2 Appeal if the Quality Improvement Organization turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the Quality Improvement Organization to take another look at the decision they made on your Level 1 Appeal. Call them at 1-877-588-1123.

You must ask for this review **within 60 calendar days** after the day the Quality Improvement Organization said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

Quality Improvement Organization reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the Quality Review Organization says **Yes** to your appeal:

- We must pay you back for our share of hospital care costs since noon on the day after the date the Quality Improvement Organization turned down your Level 1 Appeal.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the Quality Review Organization says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- You may also file a complaint with or ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to Section E4 on page 143 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

An Administrative Law Judge or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

H4. Making a Level 1 Alternate Appeal

The deadline for contacting the Quality Improvement Organization for a Level 1 Appeal is within 60 days or no later than your planned hospital discharge date. If you miss the Level 1 Appeal deadline, you can use an “Alternate Appeal” process.

Contact Member Services at the numbers at the bottom of the page and ask us for a “fast review” of your hospital discharge date.

The legal term for “fast review” or “fast appeal” is “**expedited appeal.**”

- We look at all of the information about your hospital stay.
- We check that the first decision was fair and followed the rules.
- We use fast deadlines instead of standard deadlines and give you our decision within 72 hours of when you asked for a fast review.

If we say **Yes** to your fast appeal:

- We agree that you need to be in the hospital after the discharge date.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.
- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.

If we say **No** to your fast appeal:

- We agree that your planned discharge date was medically appropriate.
- Our coverage for your inpatient hospital services ends on the date we told you.
- We will not pay any share of the costs after this date.
- You may have to pay the full cost of hospital care you got after the planned discharge date if you continued to stay in the hospital.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- We send your appeal to the Independent Review Organization to make sure we followed all the rules. When we do this, your case automatically goes to the Level 2 appeals process.

H5. Making a Level 2 Alternate Appeal

We send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of giving saying **No** to your Level 1 Appeal. We do this automatically. You don't need to do anything.

If you think we didn't meet this deadline, or any other deadline, you can make a complaint. Refer to **Section K** (*How to make a complaint*) for information about making complaints.

The Independent Review Organization does a fast review of your appeal. They take a careful look at all of the information about your hospital discharge and usually give you an answer within 72 hours.

If the Independent Review Organization says **Yes** to your appeal:

- We pay you back for our share of the costs of care you got since the date when we said your coverage would end.
- We will provide your covered inpatient hospital services for as long as the services are medically necessary.

If the Independent Review Organization says **No** to your appeal:

- They agree that your planned hospital discharge date was medically appropriate.
- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An Administrative Law Judge or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** (*Taking your appeal beyond Level 2*) for information about Level 3, 4, and 5 Appeals.

You may also file a complaint with and ask the DMHC for an Independent Medical Review to continue your hospital stay. Please refer to Section F4 on page 149 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review. You can ask for an Independent Medical Review in addition to or instead of a Level 3 Appeal.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- Home health care services
- Skilled nursing care in a skilled nursing facility

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- Rehabilitation care as an outpatient at a Medicare-approved Comprehensive Outpatient Rehabilitation Facility (CORF). This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we will stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice **only** shows that you got the information. Signing does **not** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** (*How to make a complaint*) for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.
 - Call the Health Insurance Counseling and Advocacy Program (HICAP) at 1-800-434-0222.
- **Contact the Quality Improvement Organization.**
 - Refer to **Section H2** (*Making a Level 1 Appeal*) or refer to **Chapter 2** of your *Member Handbook* for more information about the QIO and how to contact them.
 - Ask them to review your appeal and decide whether to change our plan's decision.
- **Act quickly and ask for a "fast-track appeal.** Ask the Quality Improvement Organization if it's medically appropriate for us to end coverage of your medical services.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Your deadline for contacting this organization

- You must contact the Quality Improvement Organization to start your appeal by noon of the day before the effective date on the Notice of Medicare Non-Coverage we sent you.
- If you miss the deadline for contacting the Quality Improvement Organization, you can make your appeal directly to us instead. For details about how to do that, refer to **Section I4** (*Making a Level 1 Alternate Appeal*).
- If the Quality Improvement Organization will not hear your request to continue coverage of your health care services or you believe that your situation is urgent or involves an immediate and serious threat to your health or if you are in severe pain, you may file a complaint with and ask the California Department of Managed Health Care (DMHC) for an Independent Medical Review. Please refer to Section F4 on page 149 to learn how to file a complaint with and ask the DMHC for an Independent Medical Review.

The legal term for the written notice is “**Notice of Medicare Non-Coverage.**” To get a sample copy, call Member Services at the numbers at the bottom of the page or call Medicare at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. - Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage.**”

- Reviewers tell you their decision within one full day after getting all the information they need.

If the Independent Review Organization says **Yes** to your appeal:

- We will provide your covered services for as long as they are medically necessary.

- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

Please refer to Section F4 on page 149 to learn how to ask the DMHC for an Independent Medical Review. - We check that the first decision was fair and followed the rules when we set the date for ending coverage for your services.

- You pay the full cost of these services if you continue getting them after the date we told you our coverage would end.

15. Making a Level 2 Alternate Appeal

During the Level 2 Appeal,

We send the information for your Level 2 Appeal to the Independent Review Organization within 24 hours of saying No to your Level 1 Appeal. We do this automatically. You don’t need to do anything.

A. When you can end your membership with our plan

Most people with Medicare can end their membership during certain times of the year. Since you have Medi-Cal, you may be able to end your membership with our plan or switch to a different plan one time during each of the following Special Enrollment Periods:

- January to March
- April to June
- July to September

In addition to these three Special Enrollment periods, you may end your membership in our plan during the following periods each year:

- The Annual Enrollment Period, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The Medicare Advantage Open Enrollment Period, which lasts from January 1 to March 31. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you are eligible to make a change to your enrollment. For example, when:

- You moved out of our service area,
- Your eligibility for Medi-Cal or Extra Help changed, or
- If you recently moved into, currently are getting care in, or just moved out of a nursing home or a long-term care hospital.

Your membership ends on the last day of the month that we get your request to change your plan. For example, if we get your request on January 18, your coverage with our plan ends on January 31. Your new coverage begins the first day of the next month (February 1, in this example).

If you leave our plan, you can get information about your:

- Medicare options in the table in **Section C1**, *Your Medicare services*.
- Medi-Cal services in **Section C2**, *Your Medi-Cal services*.

You can get more information about how you can end your membership by calling:

Ask how joining another plan or returning to Original Medicare affects how you get your Medi-Cal coverage.

D. How to get your medical services and drugs until your membership in our plan ends

If you leave our plan, it may take time before your membership ends and your new Medicare and Medi-Cal coverage begins. During this time, you keep getting your prescription drugs and health care through our plan until your new plan begins.

- Use our network pharmacies including through our mail-order pharmacy services to get your prescriptions filled.
- If you are hospitalized on the day that your membership in IEHP DualChoice ends, our plan will cover your hospital stay until you are discharged.

E. Other situations when your membership in our plan ends

These are cases when we must end your membership in our plan:

- If there is a break in your Medicare Part A and Part B coverage.
- If you no longer qualify for Medi-Cal. Our plan is only for people who qualify for both Medicare and Medi-Cal. If you lose your Medi-Cal eligibility and you are within our plan's 3-month period of deemed continued eligibility, we will continue to provide all Medicare Advantage plan-covered Medicare benefits. However, during this period, we will not continue to cover Medicaid benefits that are included under the applicable Medicaid State Plan. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period.
- If you move out of our service area.
- If you are away from our service area for more than six months.
 - » If you move or take a long trip, call Member Services to find out if where you're moving or traveling to is in our plan's service area.
- If you go to jail or prison for a criminal offense.
- If you lie about or withhold information about other insurance you have for prescription drugs.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

- If you are not a United States citizen or are not lawfully present in the United States.
 - You must be a United States citizen or lawfully present in the United States to be a member of our plan.
 - The Centers for Medicare & Medicaid Services notify us if you're not eligible to remain a member on this basis.
 - We must disenroll you if you don't meet this requirement.

If you lose your Medi-Cal eligibility but can reasonably expect to regain your eligibility within 3 months, then you are still eligible for our plan, this is called deemed continued eligibility. If at the end of the 3-month deemed continued eligibility, you are still not eligible for Medi-Cal you will be disenrolled from our plan. We can make you leave our plan for the following reasons only if we get permission from Medicare and Medi-Cal first:

- If you intentionally give us incorrect information when you are enrolling in our plan and that information affects your eligibility for our plan.
- If you continuously behave in a way that is disruptive and makes it difficult for us to provide medical care for you and other members of our plan.
- If you let someone else use your plan ID card to get medical care. (Medicare may ask the Inspector General to investigate your case if we end your membership for this reason.)

F. Rules against asking you to leave our plan for any health-related reason

We cannot ask you to leave our plan for any reason related to your health. If you think we're asking you to leave our plan for a health-related reason, **call Medicare** at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You may call 24 hours a day, 7 days a week.

Sometimes someone else must pay first for the services we provide you. For example, if you're in a car accident or if you're injured at work, insurance or Workers Compensation must pay first.

We have the right and responsibility to collect for covered Medicare services for which Medicare is not the first payer.

We comply with federal and state laws and regulations relating to the legal liability of third parties for health care services to members. We take all reasonable measures to ensure that Medi-Cal is the payer of last resort.

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout your *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living (ADL): The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing teeth.

Ambulatory surgical center: A facility that provides outpatient surgery to patients who do not need hospital care and who are not expected to need more than 24 hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. **Chapter 9** of your *Member Handbook* explains appeals, including how to make an appeal.

Behavioral Health: An all-inclusive term referring to mental health and substance use disorders.

Brand name drug: A prescription drug that is made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: Refer to "Individualized Care Plan."

Care Plan Optional Services (CPO Services): Additional services that are optional under your Individualized Care Plan (ICP). These services are not intended to replace long-term services and supports that you are authorized to get under Medi-Cal.

Care team: Refer to "Interdisciplinary Care Team."

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. **Chapter 2** of your *Member Handbook* explains how to contact CMS.

Community-Based Adult Services (CBAS): Outpatient, facility-based service program that delivers skilled nursing care, social services, occupational and speech therapies, personal care, family/caregiver training and support, nutrition services, transportation, and other services to eligible members who meet applicable eligibility criteria.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Community-Based Adult Services (CBAS): Outpatient, facility-based service program that delivers skilled nursing care, social services, occupational and speech therapies, personal care, family/caregiver training and support, nutrition services, transportation, and other services to eligible members who meet applicable eligibility criteria.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of service, quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance.”

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Copay: A fixed amount you pay as your share of the cost each time you get certain services or prescription drugs. For example, you might pay \$2 or \$5 for a service or a prescription drug.

Cost sharing: Amounts you have to pay when you get certain services or prescription drugs. Cost sharing includes copays.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we pay for your health services. **Chapter 9** of your *Member Handbook* explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription drugs covered by our plan.

Covered services: The general term we use to mean all of the health care, long-term services and supports (LTSS), supplies, behavioral health services (including medical health and wellness), prescription and over-the-counter drugs, equipment, and other services our plan covers.

Cultural competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost sharing rate: A rate that may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you are required to pay a copay. A daily cost sharing rate is the copay divided by the number of days in a month’s supply.

Here is an example: Let’s say the copay for your drug for a full month’s supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days’ supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

If you have questions, please call IEHP DualChoice at 1-877-273-IEHP (4347), 8am-8pm (PST), 7 days a week, including holidays. TTY users should call 1-800-718-4347. The call is free. **For more information**, visit www.iehp.org.

Department of Health Care Services (DHCS): The state department in California that administers the Medicaid Program (known as Medi-Cal).

Department of Managed Health Care (DMHC): The state department in California responsible for regulating health plans. DMHC helps people with appeals and complaints about Medi-Cal services. DMHC also conducts Independent Medical Reviews (IMR).

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug tiers: Groups of drugs on our Drug List. Generic, brand name, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the Drug List is in one tier.

Dual eligible special needs plan (D-SNP): Health plan that serves individuals who are eligible for both Medicare and Medi-Cal. Our plan is a D-SNP.

Durable medical equipment (DME): Certain items your doctor orders for use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of or serious impairment to a bodily function (and if you are a pregnant woman, loss of an unborn child). The medical symptoms may be a serious injury or severe pain.

Emergency care: Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

Exception: Permission to get coverage for a drug not normally covered or to use the drug without certain rules and limitations.

Extra Help: Medicare program that helps people with limited incomes and resources reduce Medicare Part D prescription drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Generic drug: A prescription drug approved by the federal government to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It’s usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care or the quality of service provided by your health plan.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has a terminal illness and is expected to have six months or less to live.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- We are required to give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost sharing amount for services. Call Member Services if you get any bills you don't understand.

Because we pay the entire cost for your services, you do **not** owe any cost sharing. Providers should not bill you anything for these services.

Independent Medical Review (IMR): If we deny your request for medical services or treatment, you can make an appeal. If you disagree with our decision and your problem is about a Medi-Cal service, including DME supplies and drugs, you can ask the California Department of Managed Health Care for an IMR. An IMR is a review of your case by doctors who are not part of our plan. If the IMR decision is in your favor, we must give you the service or treatment you asked for. You pay no costs for an IMR.

Independent Physicians Association (IPA): A medical group or IPA is a group of physicians, specialists, and other providers of health services that see IEHP Members. Your PCP, along with the medical group or IPA, provides your medical care.

List of Covered Drugs (Drug List): A list of prescription drugs we cover. We choose the drugs on this list with the help of doctors and pharmacists. The Drug List tells you if there are any rules you need to follow to get your drugs. The Drug List is sometimes called a "formulary."

Long-term services and supports (LTSS): Long-term services and supports help improve a long-term medical condition. Most of these services help you stay in your home so you don't have to go to a nursing home or hospital. LTSS include Community Based Adult Services (CBAS) and Nursing Facilities (NF).

Low-income subsidy (LIS): Refer to "Extra Help."

Mail Order Program: Some plans may offer a mail-order program that allows you to get up to a 3-month supply of your covered prescription drugs sent directly to your home. This may be a cost-effective and convenient way to fill prescriptions you take regularly.

Medi-Cal: This is the name of California's Medicaid program. Medi-Cal is run by the state and is paid for by the state and the federal government.

- It helps people with limited incomes and resources pay for long-term services and supports and medical costs.
- It covers extra services and some drugs not covered by Medicare.
- Medicaid programs vary from state to state, but most health care costs are covered if you qualify for both Medicare and Medicaid.
- Refer to **Chapter 2** of your *Member Handbook* for information about how to contact Medi-Cal.

Medi-Cal plans: Plans that cover only Medi-Cal benefits, such as long-term services and supports, medical equipment, and transportation. Medicare benefits are separate.

Medically necessary: This describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing home. It also means the services, supplies, or drugs meet accepted standards of medical practice.

Medicare: The federal health insurance program for people 65 years of age or older, some people under age 65 with certain disabilities, and people with end-stage renal disease (generally those with permanent kidney failure who need dialysis or a kidney transplant). People with Medicare can get their Medicare health coverage through Original Medicare or a managed care plan (refer to “Health plan”).

Medicare Part D drugs: Drugs covered under Medicare Part D. Congress specifically excludes certain categories of drugs from coverage under Part D. Medi-Cal may cover some of these drugs.

Medication Therapy Management: A distinct group of service or group of services provided by health care providers, including pharmacists, to ensure the best therapeutic outcomes for patients. Refer to **Chapter 5** of your *Member Handbook* for more information.

Member Services: A department in our plan responsible for answering your questions about membership, benefits, grievances, and appeals. Refer to **Chapter 2** of your *Member Handbook* for more information about Member Services.

Network pharmacy: A pharmacy (drug store) that agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they agreed to work with our plan. In most cases, we cover your prescriptions only when filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and long-term services and supports.

- They are licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with our health plan, accept our payment, and do not charge members an extra amount.
- While you’re a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

Nursing home or facility: A place that provides care for people who can’t get their care at home but don’t need to be in the hospital.

Organization determination: Our plan makes an organization determination when we, or one of our providers, make a decision about whether services are covered or how much you pay for covered services. Organization determinations are called “coverage decisions.” **Chapter 9** of your *Member Handbook* explains coverage decisions.

Original Medicare (traditional Medicare or fee-for-service Medicare): The government offers Original Medicare. Under Original Medicare, services are covered by paying doctors, hospitals, and other health care providers amounts that Congress determines.

Prior authorization: An approval you must get from us before you can get a specific service or drug or use an out-of-network provider. Our plan may not cover the service or drug if you don't get approval first.

Referral: A referral is your primary care provider's (PCP's) approval to use a provider other than your PCP. If you don't get approval first, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in **Chapters 3 and 4** of your *Member Handbook*.

Rehabilitation services: Treatment you get to help you recover from an illness, accident or major operation. Refer to **Chapter 4** of your *Member Handbook* to learn more about rehabilitation services.

Step therapy: A coverage rule that requires you to try another drug before we cover the drug you ask for.
