# ✓ Introducing the 2024 Urgent Care + Wellness Quality Incentive Program

Inland Empire Health Plan (IEHP) is excited to announce the 2024 Urgent Care + Wellness Quality Incentive Program. This incentive program offers an opportunity for Urgent Care Providers to earn financial rewards for improving wellness service for IEHP Medi-Cal and Covered California Members.

This quality incentive program encourages Urgent Care Providers to render wellness services while the IEHP Member is at an urgent care for their health care matter.

The 2024 Urgent Care + Wellness Quality Incentive Program includes performance-based incentives for the rendered wellness services. Incentive payments will be made to eligible providers who meet the program criteria.

This technical guide is designed to help Urgent Care Providers understand how they can earn financial incentives for providing quality wellness service to IEHP Members.

Thank you for your continued partnership in providing quality health care to IEHP Members. If you have questions related to this program, please contact IEHPs Provider Relations at **(909) 890-2054** or IEHP's Quality Department at **QualityPrograms@iehp.org**.

## ✓ Incentive Program Service

There are four wellness services included in the 2024 Urgent Care + Wellness Quality Incentive Program, for which the Urgent Care Providers are eligible to receive a financial incentive:

- Adolescent Immunizations

IEHP identified this as a plan-wide area of opportunity to improve the wellness of IEHP Members. Technical specifications and details for the Quality Incentive wellness services are included in Appendix 1.
